

ATLAS S-ONE M-LOK FREE FLOATING HANDGUARD FOR AR-15 - AERO PRECISION ATLAS S-ONE 9" HANDGUARD M-LOK FREE FLOAT FOR AR-15 FDE

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Not Your Average Handguard

The ATLAS S-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the S-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Aero's proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. Actual Handguard Lengths: 7.3", 9.3", 10.3", 12.7", 15" -- Aero Precision rail lengths measure from end to end. This is the point of contact at the receiver to the end of the last picatinny slot at the muzzle. Available in M-LOK profiles with 7.3", 9.3", 10.3", 12.7" and 14.94 (Actual Length 15") options. ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. LIGHTWEIGHT BY DESIGN M-LOK Handguard Weights: 7.3" - 4.86 oz / 9.3" - 5.47 oz / 10.3" - 6.0 oz / 12.7" - 7.00 oz / 15" - 7.95 oz Mounting Hardware Weight: 1.9 oz (same across all S-ONE Handguard options) FEATURES: Front and rear picatinny rail Eliminated center of top rail for weight reduction Indexing grooves in 12:00 position for positive grip control Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels NOT Compatible with M4E1 Enhanced Upper Receivers ATLAS Handguards are designed to match seamlessly with Aero's M4E1 Threaded Upper Receivers. Additionally, they are compatible with any Mil-Spec AR-15 upper receivers as well. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo. Please note: The ATLAS Handguards are NOT compatible with Aero's M4E1 Enhanced Upper Receiver.

ATLAS SONE MLOK Free Floating Handguard Safety Instruction Guide

Introduction

Thank you for choosing the ATLAS SONE MLOK Free Floating Handguard for your AR15. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your handguard. Please read this document carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure that the handguard is used according to the manufacturer's instructions to avoid any risks associated with improper use.
- **Enhanced Recalls:** Stay informed about any recall notices that may affect your product. The manufacturer will provide free remedies for any identified safety issues.
- **Online Shopping:** If purchased online, ensure that the retailer meets safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra care should be taken when the product is used by vulnerable groups, particularly children.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or removing the handguard.
- Wear protective eyewear during installation to prevent injury from small parts or debris.
- Inspect the handguard for any damages before installation. Do not use if damaged.
- Ensure that all tools used during installation are in good condition and appropriate for the task.
- Keep the handguard and all components out of reach of children when not in use.
- Do not exceed the manufacturer's specified weight limit for accessories mounted on the handguard.
- Be aware of the heat generated during firing; allow the handguard to cool before handling.
- Ensure compatibility with your AR15 model to avoid installation issues.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools: a torque wrench, Allen keys, and any other tools specified in the installation manual.
- Ensure a clean workspace free of obstructions.

2. Installation Steps:

- **Remove the Existing Handguard:**
 - Unload the firearm.
 - Remove any accessories mounted on the existing handguard.
 - Follow the manufacturer's instructions to detach the existing handguard.
- **Install the ATLAS SONE Handguard:**
 - Align the ATLAS handguard with the upper receiver.
 - Secure the handguard using the provided mounting hardware, ensuring even pressure across the barrel nut.
 - Use a torque wrench to tighten the screws to the specified torque setting to avoid

overtightening.

- Doublecheck for any movement or looseness once installed.

3. **Usage:**

- After installation, verify that the handguard is securely attached before use.
- Regularly inspect the handguard and mounting hardware for signs of wear or damage.
- Follow all firearm safety protocols during operation.

Disposal Instructions

- Dispose of the handguard and any associated packaging materials in accordance with local regulations.
- Do not dispose of any electronic components in regular household waste; follow proper electronic waste disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the ATLAS SONE MLOK Free Floating Handguard, please refer to the retailer or manufacturer for assistance.

By following these guidelines, you will ensure a safe and effective experience with your ATLAS SONE handguard. Thank you for your attention to safety.
