

# ATLAS S-ONE M-LOK FREE FLOATING HANDGUARD FOR AR-15 - AERO PRECISION ATLAS S-ONE 14.94" HANDGUARD M-LOK FREE FLOAT FOR AR-15 BLK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

## Not Your Average Handguard

The ATLAS S-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the S-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Aero's proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. Actual Handguard Lengths: 7.3", 9.3", 10.3", 12.7", 15" -- Aero Precision rail lengths measure from end to end. This is the point of contact at the receiver to the end of the last picatinny slot at the muzzle. Available in M-LOK profiles with 7.3", 9.3", 10.3", 12.7" and 14.94 (Actual Length 15") options. ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. LIGHTWEIGHT BY DESIGN M-LOK Handguard Weights: 7.3" - 4.86 oz / 9.3" - 5.47 oz / 10.3" - 6.0 oz / 12.7" - 7.00 oz / 15" - 7.95 oz Mounting Hardware Weight: 1.9 oz (same across all S-ONE Handguard options) FEATURES: Front and rear picatinny rail Eliminated center of top rail for weight reduction Indexing grooves in 12:00 position for positive grip control Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels NOT Compatible with M4E1 Enhanced Upper Receivers ATLAS Handguards are designed to match seamlessly with Aero's M4E1 Threaded Upper Receivers. Additionally, they are compatible with any Mil-Spec AR-15 upper receivers as well. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo. Please note: The ATLAS Handguards are NOT compatible with Aero's M4E1 Enhanced Upper Receiver.

# ATLAS SONE MLOK Free Floating Handguard Safety Instruction Guide

## Introduction

Thank you for choosing the ATLAS SONE MLOK Free Floating Handguard for your AR15 build. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your handguard. Please read this document carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure the safe use of your handguard by following all instructions. The ATLAS SONE is designed to meet the highest safety standards.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized notices. Please follow the instructions provided for safe handling.
- **Online Shopping Protections:** When purchasing online, ensure that the retailer complies with safety requirements equivalent to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken if the product is used by vulnerable groups, such as children. Keep the product out of reach of children.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact points provided by the manufacturer.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to handguard failure.
  - Ensure compatibility with your AR15 upper receiver.
  - Avoid using the handguard with M4E1 Enhanced Upper Receivers.
- **Instructions for Avoiding Hazards:**
  - Always read and follow the installation instructions carefully.
  - Inspect the handguard and all mounting hardware for damage before use.
  - Do not exceed the recommended weight limits for accessories mounted on the handguard.
- **Agesspecific Warnings:** This product is intended for use by adults. Ensure that only qualified individuals perform the installation and handling of this handguard.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure you have all necessary tools and hardware before starting the installation.
  2. Remove the existing handguard from your AR15 upper receiver.
  3. Install the ATLAS SONE Handguard by following these steps:
    - Align the handguard with the receiver.
    - Use the provided mounting hardware to secure the handguard in place.
    - Ensure all screws are tightened to the manufacturer's specifications.
  4. Check for proper alignment and stability before use.
- **Usage:**
  - Use the handguard for its intended purpose only.
  - Regularly inspect the handguard for signs of wear or damage.
  - If you notice any issues, discontinue use immediately and consult a qualified gunsmith.

## Disposal Instructions

- **Disposal:** When it comes time to dispose of the ATLAS SONE Handguard, please follow local regulations for disposal of aluminum and other materials. Do not dispose of in regular household waste.
- **Recycling:** If possible, recycle the handguard and its components at a designated recycling facility.

## Contact Information for Further Support

For further assistance or safety inquiries, please refer to the manufacturer's support resources. Always ensure you have the most up-to-date information regarding your product.

Thank you for prioritizing safety with the ATLAS SONE MLOK Free Floating Handguard. Your adherence to these guidelines will help ensure a safe and enjoyable experience.
