Helps Prevent Butterfingers During Mag Changes

The Tandemkross MarkPRO Magazine Bumper for the Ruger® Mark IV™ 22/45™ helps you seat the magazine consistently and positively in the magwell. The flush bottom of the factory Mark IV™ 22/45™ magazine means you sometimes don't push the mag fully home on the first try. The result: your pistol won't chamber the first round - a serious handicap during competition. The MarkPRO prevents that and also gives you something to grab to quickly remove an empty mag from the gun. Tandemkross molds MarkPRO magazine bumpers from tough DuPont Zytel® nylon polymer that is pretty much indestructible and has enough compressibility to protect your mag from damage if you drop it on a hard surface. Makes mag changes much faster & easier. Helps ensure you don't lose precious seconds during timed competition. Easy to install & remove. 2 bumpers per pack. Tandemkross's MarkPRO Magazine Bumper for the Ruger® Mark IV™ 22/45™ attaches quickly to the bottom of the factory mag in seconds with the included Phillips head screws. You'll have time left to try saying this three times fast: "rubber baby buggy MarkPro magazine bumpers!" Brownells Gun Tech™ Note: The Tandemkross MarkPRO Magazine Bumper fits Mark IV™ 22/45™ factory magazines, plus the following current-production and older Ruger® pistols: Mark II™ 22/45™ Mark III™ 22/45™ Mark III™ 22/45™ Lite Mark IV™ 22/45™ Lite Mark IV™ 22/45™ Tactical

Ruger Mark IV 22/45 "MarkPRO" Magazine Bumper Safety Instruction Guide

Introduction

Thank you for choosing the Tandemkross MarkPRO Magazine Bumper for your Ruger® Mark IV™ 22/45™. This safety instruction guide is designed to help you understand how to use this product safely and effectively. Please read all instructions carefully before use to ensure a safe experience.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always handle firearms and related equipment responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage. Do not use if damaged.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or removing the magazine bumper.
- Do not attempt to modify the magazine or the magazine bumper in any way.
- Use only the screws provided with the product to attach the magazine bumper securely.
- Avoid dropping the magazine on hard surfaces to prevent damage to the magazine or bumper.
- Be aware that improper installation may lead to malfunction of the firearm.

Instructions for Installation and Usage

1. Installation of the MarkPRO Magazine Bumper:

- Ensure the firearm is unloaded and the magazine is removed from the firearm.
- Align the MarkPRO Magazine Bumper with the bottom of the factory magazine.
- Using the included Phillips head screws, attach the bumper securely to the magazine.
- Ensure that the bumper is firmly in place and does not move.

2. Using the Magazine with the Bumper:

- Insert the magazine into the firearm's magwell until it clicks into place.
- The bumper allows for easier removal of the magazine when empty.
- Practice quick magazine changes to become familiar with the product.

3. Removing the Magazine Bumper:

- To remove the bumper, unscrew the attached screws carefully.
- Store the bumper in a safe place if not in use.

Disposal Instructions

- Dispose of the MarkPRO Magazine Bumper in accordance with local regulations for plastic waste.
- Do not incinerate the product as it may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding the use of the Tandemkross MarkPRO Magazine Bumper, please refer to the manufacturer's website or customer support resources for assistance.

Thank you for your attention to these safety instructions. We hope you enjoy using your Tandemkross MarkPRO Magazine Bumper safely and effectively.
