## Drop That Mag Without Breaking Your Grip on the Gun

The Tandemkross Titan Extended Magazine Release for the Browning Buck Mark provides a larger contact surface than the factory button, so shooters with small hands can operate it easily without changing hand position. An excellent enhancement for ANY shooter who just wants a button that's easier to locate and hit under pressure, especially in competition. Tandemkross ships your Titan Extended Magazine Release for Buck Mark with two buttons. A paddle-style button with deep surface grooves extends back toward the shooter, so it's just the ticket for any shooter with a short thumb. The paddle may be angled up or down for a custom fit. There's also a checkered round button that's taller and wider than the factory button, but low enough so shooters with larger hands won't accidentally activate it. Ideal for young shooters, competition shooters, or any shooter with small hands Drop-in installation Durable steel and anodized aluminum construction Deeply textured surfaces for non-slip finger contact Available in black or silver - choose the color that matches, or contrasts with, your gun The Tandemkross Titan Extended Magazine Release is easy to install on your Browning Buck Mark. Can you can read instructions and field strip your pistol? If you can, then you can install the Titan quickly - and hit the range to enjoy its benefits.

# Safety Instruction Guide for Tandemkross Browning Buck Mark "Titan" Extended Magazine Release

## Introduction

Thank you for choosing the Tandemkross Titan Extended Magazine Release for your Browning Buck Mark. This product is designed to enhance your shooting experience by providing a larger contact surface for easier operation. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the firearm is unloaded before installing or handling the magazine release.
- Always treat your firearm as if it is loaded, even when you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the magazine release and firearm in a secure location, away from children and unauthorized users.
- Regularly check for any wear or damage to the magazine release and your firearm.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recall updates for this product on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the magazine release only as intended; do not modify or alter it in any way.
- Ensure your hands are dry and clean when operating the magazine release to avoid slipping.
- Be mindful of your grip and hand position while using the magazine release, especially under pressure or during competition.
- If you have small hands, practice using the paddlestyle button to find a comfortable grip.
- For young or inexperienced shooters, adult supervision is recommended during use.
