

AR-15 MK14 SUPER MODULAR RAIL HANDGUARD - GEISSELE AUTOMATICS MK14 SUPER MODULAT RAIL HANDGUARD 13.5" MLOK BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Narrow Profile for a Comfortable Hold - Plenty of Accessory Mounting Possibilities

The Geissele MK14 Super Modular Rail tactical AR-15 handguard has a slim cross-section that makes it ideal for shooters who use rail covers and/or a vertical grip - and who also employ the thumb-over-the-bore support hand grasp. Similar to their MK13 SMR, the Geissele MK14 delivers acres of real estate for mounting accessories, with M-LOK slots running the handguard's full length at the 3, 6, and 9 o'clock positions. The MK14 Super Modular Rail also sports an uninterrupted Picatinny rail running the full length of the top. Geissele even thoughtfully includes sockets for QD pushbutton sling swivels at the 11 and 1 o'clock positions at the rear. Strong & lightweight machined 6061 T6 aluminum Barrel Nut Wrench no longer included with the handguards. Type III hardcoat anodized Available in basic Black or Geissele's Desert Dirt Color (DDC) Proprietary free-float barrel nut included Geissele also engineered the MK14 Super Modular Rail handguard to free-float the barrel using their easy-to-install proprietary barrel nut. The nut is 2.25" long, so there's plenty of surface area for secure, rigid, straight anchoring of the handguard in place. Please note that a gas block is no longer included with these handguards.

Safety Instruction Guide for AR15 MK14 Super Modular Rail Handguard

Introduction

Thank you for choosing the Geissele MK14 Super Modular Rail Handguard. This guide provides important safety information and instructions to ensure the safe use of this product. Please read and understand these guidelines before installation and use.

General Safety Guidelines

- Ensure safe handling and use of the handguard at all times.
- Familiarize yourself with the product and its components before use.
- Always follow local laws and regulations regarding firearm accessories.
- Keep the handguard out of reach of children and unauthorized users.
- Inspect the handguard for any damage or defects before installation.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's specifications for mounting accessories.
- Ensure all accessories are securely attached to avoid detachment during use.
- Be cautious of sharp edges during handling and installation.
- Avoid using the handguard in extreme conditions that may affect its performance.
- Regularly check for wear and tear on the handguard and accessories.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Gather all necessary tools for installation, including a wrench for the barrel nut.
2. **Remove the Old Handguard:** If applicable, safely remove the existing handguard from your AR15.
3. **Attach the Barrel Nut:**
 - Use the proprietary freefloat barrel nut included with the handguard.
 - Ensure the barrel nut is securely attached and properly torqued.
4. **Install the Handguard:**
 - Slide the handguard over the barrel nut.
 - Align the handguard with the gas tube and ensure it is seated correctly.
5. **Secure the Handguard:**
 - Use the provided screws to secure the handguard in place.
 - Check that all screws are tightened to the manufacturer's specifications.
6. **Final Inspection:**
 - Inspect the installation to ensure everything is correctly aligned and secure.
 - Ensure that the handguard does not obstruct any moving parts of the firearm.

Usage Instructions

- Use the handguard as intended, with a focus on maintaining a proper grip and control.
- Utilize the MLOK slots for accessory attachment, ensuring they are compatible and securely fastened.
- Regularly clean and maintain the handguard to ensure optimal performance.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations.
- If the handguard is damaged or no longer functional, ensure it is disposed of in a manner that prevents misuse.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's website or contact their customer support.

This safety instruction guide is designed to comply with the EU General Product Safety Regulation (GPSR) and ensure the safe use of the Geissele MK14 Super Modular Rail Handguard. Please adhere to these guidelines for your safety and the safety of others.
