

SIDELOK 34MM MODULAR OPTIC MOUNT - KINETIC DEVELOPMENT GROUP 34MM SIDELOK MODULAR OPTIC MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Versatile, Adaptable Truly Quick-Attach/Detach Scope Mount

KDG's 34mm Sidelok Modular Optic Mount provides user-configurable options that made it one of the most versatile QD scope mounts available. Of course, you can quickly clamp it to any Picatinny receiver rail, then remove it just as fast, with one hand, simply by pressing the release button at the front. The Sidelok Optic Mount's innovative locking system makes it virtually impossible to unintentionally release the mount. Cam lock system ensures the Sidelok will fit all Picatinny rails, even those that are out of spec. The rings on the Sidelok Modular Optic Mount can moved forward or backward to avoid interference with objective bells, turret knobs, or magnification adjustment collars. They are CNC-machined and wire-EDM cut to be as precisely concentric as possible. Top- and bottom-halves are machined together, as a unit, and given Fully machined high-grade aluminum alloy Top & bottom halves machined together, as a unit, for best alignment Witness marks help the user keep the correct top mated to its matching bottom Type 3 hardcoat anodized, matte black The rings on the KDG Sidelok Modular Optic Mount are removable, so you can swap rings to fit a different-diameter scope tube without having to buy a whole new mount.

Attributes

SIDELOK 34MM MODULAR OPTIC MOUNT SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Kinetic Development Group (KDG) 34mm Sidelok Modular Optic Mount. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before installation and use.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use with nonfood items. It is essential to follow all safety instructions to minimize risks.
- **Enhanced Recalls:** In case of any safety concerns, standardized recall notices will be issued, and remedies will be provided free of charge.
- **Online Shopping:** The same safety protections apply when purchasing this product online as when buying in a physical store.
- **Special Consumer Focus:** Extra safeguards are in place for vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please refer to the EU-based contact information provided with your purchase.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate system for faster updates.

Specific Safety Precautions for Use

- **Read the Manual:** Always read the user manual thoroughly before using the product.
- **Proper Installation:** Ensure the mount is installed correctly to prevent accidents or damage.
- **Check Compatibility:** Verify that the mount is compatible with your scope and rifle before use.
- **Inspect Regularly:** Regularly inspect the mount for any signs of wear or damage.
- **Avoid Overtightening:** Do not overtighten the screws during installation, as this may lead to damage.
- **Keep Out of Reach of Children:** This product is not intended for use by children. Keep it stored safely away from their reach.
- **Use in Suitable Conditions:** Avoid using the mount in extreme weather conditions or environments that may affect its performance.

Instructions for Installation and Usage

1. **Unpack the Product:** Carefully remove the mount from its packaging. Ensure all components are present.
2. **Identify Components:** Familiarize yourself with the mount and its parts, including the release button, clamping mechanism, and rings.
3. **Mounting Procedure:**
 - Position the mount on the Picatinny receiver rail.
 - Align the clamping mechanism with the rail.
 - Press the release button and slide the mount into place.
 - Release the button to secure the mount.
4. **Adjust the Rings:**
 - If necessary, adjust the rings to fit your scope tube diameter.
 - The rings can be moved forward or backward to avoid interference with other components.
5. **Tightening:**
 - Use the appropriate tool to tighten the screws securely but do not overtighten.
6. **Final Check:**
 - Ensure the mount is securely attached and the rings are properly adjusted.

- Conduct a visual inspection to confirm everything is in place.

7. Using the Mount:

- To remove the mount, press the release button and slide it off the rail.
- Always ensure the mount is securely locked when in use.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the product in accordance with local regulations for electronic and metal waste.
- **Recycling:** If possible, recycle the mount and its components to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the use of the KDG 34mm Sidelok Modular Optic Mount, please refer to the contact information provided with your product purchase. Ensure you have your product details ready for any inquiries.

By following these guidelines, you can ensure the safe and effective use of your KDG 34mm Sidelok Modular Optic Mount. Thank you for prioritizing safety and compliance.
