

# SIDELOK 1" MODULAR OPTIC MOUNT - KINETIC DEVELOPMENT GROUP 1" SIDELOK MODULAR OPTIC MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

## Versatile, Adaptable Truly Quick-Attach/Detach Scope Mount

KDG's 1" Sidelok Modular Optic Mount provides user-configurable options that made it one of the most versatile QD scope mounts available. Of course, you can quickly clamp it to any Picatinny receiver rail, then remove it just as fast, with one hand, simply by pressing the release button at the front. The Sidelok Optic Mount's innovative locking system makes it virtually impossible to unintentionally release the mount. Cam lock system ensures the Sidelok will fit all Picatinny rails, even those that are out of spec. The rings on the Sidelok Modular Optic Mount can moved forward or backward to avoid interference with objective bells, turret knobs, or magnification adjustment collars. They are CNC-machined and wire-EDM cut to be as precisely concentric as possible. Top- and bottom-halves are machined together, as a unit, and given Fully machined high-grade aluminum alloy Top & bottom halves machined together, as a unit, for best alignment Witness marks help the user keep the correct top mated to its matching bottom Type 3 hardcoat anodized, matte black The rings on the KDG Sidelok Modular Optic Mount are removable, so you can swap rings to fit a different-diameter scope tube without having to buy a whole new mount.

## Attributes

- Name: [KINETIC DEVELOPMENT GROUP 1" SIDELOK MODULAR OPTIC MOUNT](#)
- Manufacturer: [KINETIC DEVELOPMENT GROUP](#)
- Product no.: 100025962
- Mfr. No.: SID5-142
- Finish: Matte Black
- Height: 1.49"
- Scope Tube Diameter: 1"
- Style: Picatinny
- Delivery weight: 0.408kg
- Shipping height: 64mm
- Shipping width: 133mm
- Shipping length: 235mm
- UPC: 851064007180

# Safety Instruction Guide for the SIDELOK 1" Modular Optic Mount

## Introduction

Thank you for choosing the SIDELOK 1" Modular Optic Mount by Kinetic Development Group. This guide provides essential safety instructions and information to ensure the safe and effective use of your optic mount. Please read through this manual carefully before installation and use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the optic mount for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the manufacturer for mounted optics.
- Ensure that the optic mount is securely attached to the Picatinny rail before use.
- Avoid using the optic mount in extreme environmental conditions that may affect its performance.
- Regularly check the locking mechanism to ensure it is functioning properly.
- Be cautious when adjusting the rings to avoid pinching fingers or causing injury.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Gather all necessary tools for installation.
- Ensure the Picatinny rail is clean and free of debris.

#### 2. Attaching the Optic Mount:

- Position the SIDELOK Modular Optic Mount on the Picatinny rail.
- Press the release button at the front to open the clamp.
- Align the mount with the desired position on the rail.
- Release the button to secure the mount in place.

#### 3. Adjusting the Rings:

- If necessary, loosen the screws on the rings to adjust their position.
- Move the rings forward or backward to avoid interference with the scope's objective bells or adjustment knobs.
- Tighten the screws securely after making adjustments.

### Usage

- Ensure that the optic is properly mounted and aligned before use.
- Regularly check the optic mount during use to ensure it remains secure.
- If you notice any movement or looseness in the mount, stop using it immediately and check for proper installation.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for electronic waste and materials.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the manufacturer's contact details provided with the product packaging or on their official website.
