## **Gives Your Gen5 a Smoother Pull, Crisper Break & Faster Reset**

Apex Tactical's Action Enhancement Trigger for Gen5 Glock® pistols is a replacement for the factory trigger that gives your Gen5 a smoother and shorter pull and a crisper break. Over-travel is also significantly reduced, leading to a faster reset for quicker follow-up shots. The center-mounted shoe has a pivoting safety tab that maintains the factory tolerances and function. Apex offers the Action Enhancement Trigger for Gen5 Glock® with the trigger bar installed, making it a straight drop-in upgrade. For use in Gen5 Glock® models 17, 19, 19x, 26 & 34 Trigger bar is included Also available as part of an Action Enhancement Kit with an upgraded connector for an even more refined pull While the factory trigger is plastic, the Apex Action Enhancement Trigger for Gen5 Glock® is made entirely of machined aluminum for long-term reliability and less wear - great for high-volume competition shooters.

Brownells Gun Tech™ Warning: The Apex Action Enhancement Trigger for Gen5 Glock® will NOT function in Gen3 or Gen4 pistols. The design of the trigger and trigger bar is different on Gen5 guns. Brownells also offers Apex action enhancement triggers for Gen3 and Gen4 pistols.

# **Safety Instruction Guide for ACTION ENHANCEMENT TRIGGER W/ TRIGGER BAR FOR GLOCK® GEN5**

## **Introduction**

Thank you for choosing the Apex Tactical Action Enhancement Trigger for your Gen5 Glock® pistol. This guide provides essential safety instructions to ensure safe use and installation of the product. Please read this guide carefully before use.

## **General Safety Guidelines**

- Ensure the product is suitable for your specific Glock® model (17, 19, 19x, 26, 34).
- Use the trigger only in Gen5 Glock® pistols; it is not compatible with Gen3 or Gen4 models.
- Handle all firearms with care and follow standard firearm safety practices.
- Keep the trigger out of reach of children and unauthorized users.
- Regularly inspect the trigger and firearm for wear or damage.
- If you experience any malfunction or unusual behavior, discontinue use immediately and seek professional assistance.

## **Specific Safety Precautions for Use**

- Always ensure the firearm is unloaded before installing or handling the trigger.
- Use proper tools as specified in the installation instructions.
- Avoid applying excessive force during installation to prevent damage to the trigger or firearm.
- Do not modify or alter the trigger or any of its components.
- Familiarize yourself with the function and operation of the trigger before using the firearm.
- Always wear appropriate eye and ear protection when firing.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Ensure your Glock® is unloaded and pointed in a safe direction.
- Gather necessary tools: a punch tool, a small hammer, and a flat surface.

### **2. Installation Steps**

- Remove the factory trigger from your Gen5 Glock® by following these steps:
  - Disassemble the firearm according to the manufacturer's guidelines.
  - Remove the trigger housing pin using the punch tool and hammer.
  - Carefully detach the factory trigger from the trigger bar.
- Install the Apex Action Enhancement Trigger:
  - Align the new trigger with the trigger bar and gently secure it in place.
  - Reinsert the trigger housing pin to secure the trigger.
- Ensure the trigger is functioning correctly by performing a function check:
  - Reassemble the firearm and ensure it cycles properly.

- Test the trigger for smooth operation and reset.

### 3. Usage

- Once installed, practice with the trigger in a safe environment.
- Familiarize yourself with the shorter pull and reduced overtravel.
- Always adhere to standard shooting practices and safety protocols.

## Disposal Instructions

- Dispose of any worn or damaged parts in accordance with local regulations.
- Do not dispose of the trigger in regular household waste. Check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries or support regarding the Apex Tactical Action Enhancement Trigger, please contact the manufacturer directly. Ensure you have your product details ready for assistance.

By following these safety instructions, you can enjoy the enhanced performance of your Gen5 Glock® while ensuring a safe shooting experience. Always prioritize safety and responsible firearm handling.
