Helps You Hone Your Marksmanship Skills

Matterhorn Innovations Reversa Targets are part of a portable target system that sets up in minutes for hassle-free target practice and plinking. Matterhorn Innovations Reversa Targets are large, sturdy 3 ft. high x 2 ft. wide corrugated cardboard targets that come in two styles: The Silhouette features a large humanoid silhouette on the front for practicing self-defense drills. The Deer Vitals target helps hunters practice for hunting season with an outline of the vital area of a deer, with the locations of the heart, lungs, liver, and bones clearly marked. The backs of both Matterhorn Innovations Reversa Targets have multiple black-and-white bullseyes for sight-in work, plus tabbed slots you can fold out to hold 12 individual clay birds for a satisfying cloud of clay dust every time you hit one. Brownells Gun Tech™ Tip: The stand for these targets is sold separately.

Attributes

Safety Instruction Guide for REVERSA TARGETS MATTERHORN INNOVATIONS

Introduction

Thank you for choosing the Matterhorn Innovations Reversa Targets. This guide provides important safety instructions to ensure the safe and effective use of these targets for practice and plinking. Please read this guide carefully before using the product.

General Safety Guidelines

- Always supervise children when using this product.
- Ensure the target area is clear of people, animals, and any obstructions before use.
- Use appropriate firearms and ammunition as recommended by the manufacturer.
- Always wear eye and ear protection while shooting.
- Inspect the targets for any damage before use. Do not use damaged targets.
- Follow all local laws and regulations regarding the use of firearms and shooting practices.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The targets are made of corrugated cardboard and may be damaged by weather or moisture. Store them in a dry place.
- Ensure that the stand (sold separately) is stable and secure before use.

- **Avoiding Hazards:**

- Do not shoot at the targets when they are not properly secured.
- Use the targets only in designated shooting ranges or safe shooting areas.
- Do not attempt to modify the targets in any way.

- **AgeSpecific Warnings:**

- These targets are intended for use by individuals aged 18 and older. Ensure younger individuals are supervised by an adult.

Instructions for Installation and Usage

1. Setting Up the Target:

- Remove the target from its packaging.
- If using a stand, assemble it according to the manufacturer's instructions.
- Place the target securely on the stand or on the ground in a safe shooting area.

2. Using the Targets:

- Ensure the target is facing the shooter.
- Use appropriate firearms for practice. Follow all safety protocols related to the type of firearm being used.
- Aim at the designated areas on the target for optimal practice.

3. After Use:

- Remove the targets from the stand or shooting area after practice.
- Check for any damage to the targets and dispose of them if they are no longer safe to use.

Disposal Instructions

- Dispose of the targets in accordance with local waste disposal regulations.
- Cardboard targets can typically be recycled. Check with your local recycling program for specific guidelines.

Contact Information for Further Support

For any questions or safety inquiries, please refer to the EU-based contact point provided by the manufacturer. Ensure that you have the product information available to assist with your inquiry.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience while using the Matterhorn Innovations Reversa Targets. Thank you for your attention to safety.
