[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The 2nd Generation Henry Big Boys have a receiver that is already drilled and tapped for this scope mount. This rail is a Picatinny style cut with multiple cross slots ready for mounting Weaver or Picatinny style rings. 2nd Generation Big Boy rifles are drilled and tapped on the receiver for this scope mount. If your Big Boy rifle lacks these receiver screw holes, it is most likely a Gen 1 and will need the Gen 1 scope mount. Gen 2 Big Boys start with the following serial numbers: H006 - BB0047222 H006M - BB0015530M H006C - BB0021188C

# BIG BOY GEN 2 PICATINNY STYLE SCOPE BASE SAFETY INSTRUCTIONS

## Introduction

Thank you for purchasing the BIG BOY GEN 2 PICATINNY STYLE SCOPE BASE from Henry Repeating Arms. This product is designed for use with the 2nd Generation Henry Big Boy rifles that have a receiver drilled and tapped for scope mounting. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded before installation or maintenance.
- Use the scope base only with compatible models as specified.
- Follow all local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the scope base for signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before installation, confirm that your rifle is a 2nd Generation Big Boy with the appropriate receiver screw holes.
- If your rifle is a Gen 1 model, do not attempt to use this scope base; instead, acquire the Gen 1 scope mount.
- Ensure that all mounting hardware is secure before using the rifle.
- Avoid overtightening screws as this may damage the scope base or the rifle.
- Do not modify the scope base or rifle in any way that could compromise safety.
- Always use appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Check Compatibility

- Verify that your rifle is a 2nd Generation Big Boy model using the serial numbers:
  - H006 BB0047222
  - H006M BB0015530M
  - H006C BB0021188C

### 2. Gather Tools

- You will need the following tools:
  - Screwdriver compatible with the mounting screws.
  - Torque wrench (optional, for precise tightening).

### 3. Installation Steps

- Ensure the rifle is unloaded and pointed in a safe direction.
- Locate the drilled and tapped holes on the receiver.
- Align the Picatinny style scope base with the holes.

- Insert the mounting screws through the base into the receiver holes.
- Tighten the screws securely, but avoid overtightening.
- Doublecheck that the base is firmly attached and does not move.

#### **4. Using the Scope Base**

- Mount your scope using compatible Weaver or Picatinny style rings.
- Follow the scope manufacturer's instructions for mounting and adjustments.
- After mounting, check that the scope is securely attached.

#### **5. PostInstallation Check**

- Inspect the installation for any loose screws or misalignment.
- Test the scope alignment before firing.
- Ensure that the rifle functions correctly with the new scope base.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact local waste management authorities for proper disposal methods.
