Ergonomically Engineered for Enhanced Control of AR Pistols

Mission First Tactical's EPG27 Engage AR-15 Pistol Grip is optimized to provide excellent support when shooting one-handed, making it ideal for your AR-15 pistol. The EPG27 offers enhanced ergonomic comfort for improved weapon control when shooting or reloading any AR-platform firearm. Mission First gave the EPG27 a pronounced finger swell and deep grooves on the backstrap to ensure a positive hold, even when you're wearing gloves or your hand is wet. The EPG27 Engage has a generous beavertail to cover the receiver gap that can cause discomfort during long periods of shooting. Don't need the beavertail? No problem - it can be removed easily, if desired. Enables easier one-handed operation of firearm. Design based on the latest developments in handgun grips. Fits AR-15 / M16 / M4 / HK41. Equally effective on pistols, SBRs, carbines, and rifles. Constructed of tough, high-impact, reinforced polymer, the Mission First EPG27 Engage Pistol Grip will stand up to the rigors of combat or 3-gun competition.

Safety Instruction Guide for the AR15 ENGAGE ENHANCED FULL SIZE PISTOL GRIP

Introduction

Thank you for choosing the Mission First Tactical AR15 Engage Enhanced Full Size Pistol Grip. This product is designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to maximize your safety and the performance of your firearm.

General Safety Guidelines

- Ensure that the pistol grip is compatible with your AR15 platform before installation.
- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that your shooting area is safe.
- Regularly inspect your firearm and accessories for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Proper Grip:** Ensure that your hand is securely positioned on the grip, utilizing the pronounced finger swell and deep grooves for optimal control.
- **OneHanded Operation:** The grip is designed for easier onehanded operation. Practice this technique in a safe environment before using it in a live shooting situation.
- **Weather Considerations:** If your hands are wet or you are wearing gloves, ensure that you maintain a firm grip to avoid slippage.
- **Beavertail Use:** The beavertail is designed to enhance comfort during extended shooting. If you choose to remove it, ensure that the grip remains secure and that you are comfortable using it without the beavertail.
- **Age Restrictions:** This product is intended for adult users. Ensure that minors are supervised and educated on firearm safety.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and the safety is engaged.
- Remove the existing pistol grip from your AR15 by unscrewing it from the lower receiver.
- Align the EPG27 Engage Pistol Grip with the screw holes on the lower receiver.
- Securely fasten the grip using the provided screws. Ensure it is tightly attached but do not overtighten, as this may damage the grip.

2. Usage:

- Familiarize yourself with the grip's ergonomic features before using it in a shooting scenario.
- Practice holding the firearm with the new grip in a safe environment to get accustomed to the feel and handling.
- Regularly check the grip for any signs of wear or loosening, especially after extensive use.

Disposal Instructions

- When disposing of the EPG27 Engage Pistol Grip, follow local regulations for plastic waste disposal.
- If the grip is damaged or no longer usable, consider recycling it if possible. Check with local recycling facilities for guidance on proper disposal methods.
