

M-LOK EXTENDED CANTILEVER SCOUT MOUNT - MAGPUL M-LOK EXTENDED CANTILEVER SCOUT MOUNT BLACK

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Mounts](#)

THE Way To Mount a Weapon Light on an M-LOK Handguard

The M-LOK Extended Cantilever Scout Mount from Magpul lets you mount a flashlight as far forward as possible on an M-LOK handguard. Forward mounting frees up handguard space and minimizes shadows cast in the beam by the barrel or accessories on your gun. The Magpul M-LOK Extended Cantilever Scout Mount uses easy-to-operate cammed T-nuts to attach directly to the handguard's M-LOK slots. You can even mount it on any MOE® or Zhukov handguard using an M-LOK to MOE adapter (#100-016-263, sold separately). Study machined aluminum construction Recoil/impact mitigation lugs protect light & handguard Non-reflective black hardcoat anodized finish Minimal profile - won't add bulk to your rifle Magpul's M-LOK Extended Cantilever Scout Mount accepts the SureFire Scout and Streamlight ProTac rail-mount lights. (Sorry, not compatible with the SureFire DS00 dual activation switch.) It's a low-cost upgrade that helps you get the maximum utility from your rifle AND your light.

MLOK Extended Cantilever Scout Mount Safety Instruction Guide

Introduction

Thank you for purchasing the MLOK Extended Cantilever Scout Mount from Magpul. This guide provides essential safety instructions and usage information to ensure safe and effective operation of your product. Please read all instructions carefully before installation and use.

General Safety Guidelines

- Ensure the product is suitable for your specific firearm model.
- Regularly inspect the mount for any signs of wear or damage.
- Use only compatible lights as specified in the product description.
- Always follow the manufacturer's recommendations for installation and use.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the weight limit of the mount as specified by the manufacturer.
- **Secure Installation:** Ensure that the mount is securely attached to the handguard to prevent accidental detachment.
- **Check Compatibility:** The mount is not compatible with the SureFire DS00 dual activation switch. Use only compatible accessories.
- **Use in Appropriate Conditions:** Avoid using the mount in extreme weather conditions that could affect performance.
- **Proper Handling:** Handle the mount with care to avoid dropping or damaging it.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Locate the MLOK slots on your handguard.
- Align the cammed Tnuts with the MLOK slots.
- Press the mount into the MLOK slot until the Tnuts engage.
- Tighten the mount securely using the appropriate tools, ensuring it is firmly attached.

2. Usage:

- Attach your compatible flashlight to the mount following the manufacturer's instructions for the light.
- Adjust the position of the flashlight as needed for optimal beam direction.
- Regularly check the tightness of the mount and flashlight during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the mount in household waste. Instead, utilize designated recycling facilities for metal products.

Contact Information for Further Support

For any questions or concerns regarding the MLOK Extended Cantilever Scout Mount, please contact the manufacturer directly or refer to their official website for support and additional resources.
