Holds Just What You Need - No Unwanted Bulk

Still carrying a bulky, old-fashioned wallet in your back pocket? Really, who likes walking around with a huge wallet bulge on his tuckus? And in our largely cash-free world, are you carrying things in your wallet you don't really need? The Magpul DAKA Everyday Wallet holds your daily essentials: up to 7 credit / ID / key cards, plus some cash, in a secure, slim, low-profile package. The Magpul DAKA Everyday Wallet eliminates the bulk and clutter of traditional wallets, yet provides immediate access to the cards you use on a daily basis. The streamlined DAKA Everyday Wallet has space for your ID and cards on one side, while your cash goes on the other side, letting you see exactly what you need at a glance. Excellent for travel or everyday life Reinforced polymer fabric with anti-slip texture Sturdy "welded" construction - no stitching to wear out Chemical resistant / non-hygroscopic Windowed pocket for ID 4.2" long x 2.8" high Did we mention the Magpul DAKA Everyday Wallet's slim profile? It sits extremely flat to eliminate "printing" through your pocket, while the rounded corners prevent snagging as you take it out or put it in your pocket. When you've got the necessities, why burden yourself with stuff you don't need?

DAKA® Everyday Wallet Safety Instructions

Introduction

Thank you for choosing the DAKA® Everyday Wallet by Magpul. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your wallet. Please read this document carefully to understand how to handle the product safely and maintain its integrity.

General Safety Guidelines

- Ensure that the wallet is used solely for its intended purpose: storing cards and cash.
- Regularly inspect the wallet for any signs of wear or damage. If any issues are found, discontinue use immediately.
- Keep the wallet away from extreme temperatures and direct sunlight to prevent material degradation.
- Store the wallet in a dry place to avoid moisture damage.
- Do not overload the wallet with more cards or cash than it is designed to hold, as this may compromise its structure.

Specific Safety Precautions for Use

- Avoid using the wallet in situations where it may be subject to excessive force or pressure, as this can lead to deformation or damage.
- Do not expose the wallet to harsh chemicals or solvents, as these may affect the material's integrity.
- If the wallet becomes wet, dry it immediately with a soft cloth and allow it to air dry completely before use.
- Keep the wallet out of reach of young children to prevent accidental swallowing of small items such as cards.

Instructions for Installation and Usage

1. Loading Cards and Cash:

- Open the wallet and locate the designated slots for cards.
- Insert up to 7 credit, ID, or key cards into the appropriate slots.
- Place cash in the designated cash compartment, ensuring it fits securely.

2. Using the Wallet:

- When accessing your cards or cash, hold the wallet securely in one hand.
- Gently pull out the card or cash you need, ensuring not to tug or pull excessively.
- After use, store the wallet in a secure location to avoid loss.

3. Cleaning and Maintenance:

- To clean the wallet, use a damp cloth with mild soap. Avoid using abrasive materials that may scratch the surface.
- Wipe down the wallet and allow it to air dry completely before storing.

Disposal Instructions

- When the wallet reaches the end of its life cycle, dispose of it responsibly.
- Check local regulations for proper disposal methods, especially for materials that may not be recyclable.
- If possible, consider recycling the wallet through appropriate channels to minimize environmental impact.
