SnapSafe Large Combination Lock Box Safety Instruction Guide

Introduction

Thank you for choosing the SnapSafe Large Combination Lock Box. This product is designed to provide secure storage for handguns and other valuables. It is essential to follow these safety instructions to ensure the safe use of the Lock Box and protect your belongings.

General Safety Guidelines

- Ensure the Lock Box is used solely for its intended purpose of storing handguns and valuables.
- Always keep the Lock Box in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the Lock Box for any signs of damage or wear. Do not use if damaged.
- Always use the heavy steel cable to secure the Lock Box to a stationary object or car seat.
- Familiarize yourself with the combination lock mechanism before use to ensure proper operation.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- When storing firearms, ensure they are unloaded and stored in a manner that prevents accidental discharge.
- Avoid placing the Lock Box in extreme temperatures or damp environments that may compromise its integrity.
- Do not overload the Lock Box beyond its specified capacity of 1 handgun and additional valuables.
- Keep the combination lock code confidential and do not share it with unauthorized individuals.
- If you have children or vulnerable individuals in your home, consider additional safety measures to prevent access.

Instructions for Installation and Usage

Installation

- Choose a secure location for the Lock Box, such as a nightstand, car seat, or luggage.
- Use the included heavy steel cable to attach the Lock Box to a stationary object. Ensure it is firmly secured.
- Verify that the Lock Box is not easily accessible to unauthorized users.

Usage

- To open the Lock Box, enter the correct combination on the lock. Ensure you are familiar with the mechanism before use.
- Store only unloaded firearms and valuables inside the Lock Box.
- After use, securely close and lock the Lock Box, ensuring the combination is scrambled for added security.

Disposal Instructions

- When disposing of the Lock Box, ensure it is done in a manner that protects the environment.
- Check local regulations for proper disposal methods of metal products.
- If the Lock Box is damaged beyond use, ensure it is securely destroyed to prevent unauthorized access.

Contact Information for Further Support

- For any safety inquiries or support regarding the SnapSafe Large Combination Lock Box, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety and security with your SnapSafe Large Combination Lock Box. By following these guidelines, you can ensure the safe use and longevity of your product.
