## Safety Instruction Guide

### Introduction

Thank you for choosing the HANDGUN HANGERS SNAP SAFE .22 HANDGUN HANGERS. This product is designed to maximize space in your gun safe by securely hanging handguns from shelves. It is important to follow the safety instructions provided in this guide to ensure safe and effective use of the product.

### General Safety Guidelines

- Ensure that the handgun hangers are used only for their intended purpose: hanging handguns.
- Always keep handguns out of reach of children and unauthorized users.
- Regularly inspect the hangers for wear or damage to ensure they remain safe for use.
- If you notice any damage or if the hangers do not function properly, discontinue use immediately and contact customer support.

### Specific Safety Precautions for Use

- Do not exceed the weight capacity of 1 handgun per hanger.
- Ensure that the shelves where the hangers are installed are between ½ to 1 inch thick for proper fit.
- Avoid placing heavy or bulky items on top of the handguns to prevent accidental falls or damage.
- Be cautious when removing or placing handguns on the hangers to avoid pinching fingers or dropping firearms.
- Keep the area around the gun safe clear to prevent accidents during installation or removal of handguns.

### Instructions for Installation and Usage

#### 1. Installation:

- Choose a suitable shelf in your gun safe that is between ½ to 1 inch thick.
- Ensure the shelf is stable and can support the weight of the handgun.
- Hang the handgun hanger securely on the shelf, ensuring it is not loose.

#### 2. Usage:

- To place a handgun on the hanger, ensure the barrel is oriented correctly and the firearm is secure.
- Always check that the handgun is unloaded before placing it on the hanger.
- When removing the handgun, do so gently to avoid any sudden movements that could lead to accidents.

#### 3. Maintenance:

- Periodically check the hangers for any signs of wear or damage.
- Clean the hangers with a damp cloth if needed, avoiding any harsh chemicals that might damage the PVC coating.

### Disposal Instructions

- When the product has reached the end of its life or is no longer needed, dispose of it in accordance with local regulations.
- Do not dispose of the product in a manner that could cause environmental harm.
