Safety Instruction Guide for TREKLITE XLARGE LOCK BOX W/ COMBINATION LOCK

Introduction

Thank you for choosing the TrekLite XLarge Lock Box with Combination Lock. This product is designed to provide secure and lightweight storage for handguns and other valuables. It is essential to follow the safety guidelines outlined in this manual to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always store the lock box in a secure location when not in use.
- Ensure that the lock box is locked when storing valuables.
- Do not exceed the recommended capacity of the lock box.
- Regularly check the condition of the lock box for any signs of damage.
- Keep the lock box out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay updated on recall notices via the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper use may lead to unauthorized access to stored items.
 - Damage to the lock box may compromise its security.
- **Avoiding Hazards:**
 - Always ensure the lock is fully engaged when securing the lock box.
 - Do not force the lock if it is jammed; seek professional assistance.
 - Avoid exposing the lock box to extreme temperatures or harsh chemicals.
- **AgeSpecific Warnings:**
 - This product is not intended for use by children.
 - Ensure that only responsible adults have access to the lock box.

Instructions for Installation and Usage

- **Installation:**
 - Choose a secure location for the lock box, such as a suitcase, drawer, or under a car seat.
 - Ensure the surface is stable and will not tip over.
- **Usage:**
 - To open the lock box:
 - Input your personalized 4digit TSA lock code.
 - Turn the lock mechanism to unlock.
 - To close the lock box:
 - Place your valuables inside the box.
 - Close the lid securely.

- Set the lock back to the locked position.

- **Storage Recommendations:**

- Store only items that fit comfortably inside the lock box.
- Use the quality foam interior to protect your valuables.

Disposal Instructions

- Dispose of the lock box in accordance with local regulations.
- If the lock box is damaged beyond use, consider recycling materials where possible.
- Do not dispose of the lock box in regular household waste.

Contact Information for Further Support

For any inquiries or support regarding the TrekLite XLarge Lock Box, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure the secure and effective use of your TrekLite XLarge Lock Box with Combination Lock. Thank you for your attention to these important guidelines.
