

CZ SCORPION HANDGUARDS FREE FLOAT M-LOK - MIDWEST INDUSTRIES HANDGUARD FREE FLOAT ALUMINUM 4.25" BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Enhance the Versatility of Your CZ Scorpion

While undoubtedly a popular platform for gun owners, the Scorpion series from CZ-USA has never had as much aftermarket support as other firearms on the market. Luckily, that's changing, thanks to the Midwest Industries CZ Scorpion Free-Float Handguards. The Midwest Industries CZ Scorpion Free-Float Handguards are all machined from 6061 aluminum and feature a hard-coat anodized finish for added durability. The free-float design ensures that owners achieve maximum accuracy potential from their guns. Color: black Available in 4.25-, 6.75-, and 11.5-inch lengths M-LOK compatible Weight measures between 7.8-17 ounces, depending on length The Midwest Industries CZ Scorpion Free-Float Handguards all install easily, thanks to an included allen wrench, and are made right here in the USA.

CZ Scorpion Handguards Safety Instruction Guide

Introduction

Thank you for choosing the CZ Scorpion Handguards Free Float MLOK from Midwest Industries. This product is designed to enhance the functionality and accuracy of your firearm. To ensure your safety and the safety of others, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the firearm is securely stored away from children and unauthorized users.
- Use only compatible accessories and parts with your firearm.
- Regularly inspect your firearm and accessories for signs of wear or damage.
- Always follow the manufacturer's instructions for installation and use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the handguards are properly installed before using your firearm.
- Do not exceed the recommended weight limits for attachments on the handguards.
- Avoid using the firearm in conditions that may lead to overheating, such as extended firing without breaks.
- Be cautious of potential sharp edges during installation and handling.
- Always wear appropriate safety gear, such as eye protection, when using your firearm.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** Ensure you have the included Allen wrench and any other necessary tools.
2. **Prepare the Firearm:** Make sure the firearm is unloaded and pointed in a safe direction.
3. **Remove Existing Handguards:** If applicable, remove the existing handguards from the firearm following the manufacturer's instructions.
4. **Align the New Handguards:** Position the Midwest Industries CZ Scorpion FreeFloat Handguards onto the firearm's barrel.
5. **Secure the Handguards:** Use the Allen wrench to tighten the screws until the handguards are securely attached. Do not overtighten.
6. **Check Installation:** Ensure that the handguards are properly aligned and securely fastened before use.

Usage

- Always ensure that the firearm is in a safe condition before handling.
- Regularly check the handguards for security and integrity during use.
- Follow all firearm safety protocols while using the firearm equipped with the handguards.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the handguards are damaged beyond repair, contact local waste management services for proper disposal methods.
- Do not dispose of the product in household waste. Follow local recycling guidelines.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the CZ Scorpion Handguards, please refer to the manufacturer's customer support resources.

By following these guidelines and instructions, you can ensure the safe use of your CZ Scorpion Handguards and enhance your shooting experience. Thank you for your attention to safety.
