

# CZ SCORPION HANDGUARDS FREE FLOAT M-LOK - MIDWEST INDUSTRIES HANDGUARD FREE FLOAT ALUMINUM 6.75" BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

## Enhance the Versatility of Your CZ Scorpion

While undoubtedly a popular platform for gun owners, the Scorpion series from CZ-USA has never had as much aftermarket support as other firearms on the market. Luckily, that's changing, thanks to the Midwest Industries CZ Scorpion Free-Float Handguards. The Midwest Industries CZ Scorpion Free-Float Handguards are all machined from 6061 aluminum and feature a hard-coat anodized finish for added durability. The free-float design ensures that owners achieve maximum accuracy potential from their guns. Color: black Available in 4.25-, 6.75-, and 11.5-inch lengths M-LOK compatible Weight measures between 7.8-17 ounces, depending on length The Midwest Industries CZ Scorpion Free-Float Handguards all install easily, thanks to an included allen wrench, and are made right here in the USA.

# Safety Instruction Guide for CZ Scorpion Handguards Free Float MLOK

## Introduction

Thank you for purchasing the CZ Scorpion Handguards Free Float MLOK by Midwest Industries. This guide provides essential safety instructions to ensure the proper use and maintenance of your product. Following these guidelines will help you maximize your experience while minimizing risks associated with the use of this firearm accessory.

## General Safety Guidelines

- Ensure that you understand all safety instructions related to firearm accessories before use.
- Always handle firearms and their accessories with care and respect.
- Keep the handguards out of reach of children and unauthorized users.
- Regularly inspect the handguards for any signs of damage or wear.
- Dispose of any damaged parts properly and do not use them.
- Follow all local and national laws regarding firearms and their accessories.

## Specific Safety Precautions for Use

- Before installation, ensure that the firearm is unloaded and the safety is engaged.
- Use protective eyewear when installing or handling the handguards.
- Do not modify the handguards in any way, as this may compromise safety and performance.
- Ensure that all components are securely fastened after installation.
- Be aware of the potential for sharp edges during installation and handling.
- If you experience any issues during installation or use, cease operation immediately and consult a qualified technician.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including the included allen wrench.
- Ensure your workspace is clean and free from distractions.

### 2. Installation:

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the existing handguards from the firearm if applicable.
- Align the Midwest Industries CZ Scorpion FreeFloat Handguards with the mounting points on your firearm.
- Securely attach the handguards using the provided allen wrench, ensuring they are tightened to the manufacturer's specifications.
- Doublecheck that all fasteners are secure before handling the firearm.

### 3. Usage:

- Always treat your firearm as if it is loaded.
- Use the handguards as intended and avoid placing excessive weight or stress on them.
- Regularly check the handguards for stability and security during use.

## **Disposal Instructions**

- Dispose of packaging materials and any unused parts in accordance with local waste disposal regulations.
- If the handguards are damaged beyond repair, contact your local waste management authority for proper disposal methods.
- Do not dispose of hazardous materials in regular trash.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's official website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your CZ Scorpion Handguards Free Float MLOK. Thank you for your attention to safety and proper handling of your firearm accessory.
