

MINI-CLIP 2.0 FLEX MINI SHELL ADAPTER

[Shotgun Parts](#) > [Receiver & Action Parts](#) > [Receiver & Action Hardware](#) > [Receiver Inserts](#)

Looking for an easy, inexpensive way to enhance the capacity and lower the recoil of your 12-gauge shotgun? It's possible with the addition of the OPSol Mini-Clip 2.0 Flex! This small aftermarket adapter fits easily into the opening located under the receiver of any Mossberg 500, 590 590A1, Shockwave or Maverick 88 12-gauge shotguns. Once installed, the clip allows for reliable cycling of 1.75-inch shotshells straight from the magazine. Want to shoot longer shells? The clip comes out just as easily as it went in, taking mere seconds.

OPSOL MINICLIP 2.0 FLEX Safety Instruction Guide

Introduction

Thank you for choosing the OPSOL MINICLIP 2.0 FLEX. This product is designed to enhance the capacity and reduce the recoil of your 12gauge shotgun. It is important to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is compatible with your shotgun model (Mossberg 500, 590, 590A1, Shockwave, or Maverick 88).
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any issues, do not use the product and seek professional assistance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on recall notices by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended shell length of 1.75 inches when using the OPSOL MINICLIP 2.0 FLEX.
- Ensure the shotgun is unloaded before installing or removing the adapter.
- Always point the firearm in a safe direction when handling.
- Use only highquality ammunition that is compatible with your shotgun and the OPSOL MINICLIP 2.0 FLEX.
- Avoid using the product in wet or humid conditions to prevent corrosion.
- Follow all local laws and regulations regarding the use of shotguns and accessories.

Instructions for Installation and Usage

Installation Steps

1. **Prepare Your Shotgun:** Ensure that your shotgun is completely unloaded. Check the chamber and magazine to confirm there are no shells present.
2. **Locate the Receiver Opening:** Identify the opening located under the receiver of your shotgun.
3. **Insert the OPSOL MINICLIP 2.0 FLEX:** Gently insert the OPSOL MINICLIP 2.0 FLEX into the receiver opening. Ensure it fits snugly.
4. **Check for Secure Fit:** After installation, give the adapter a slight tug to ensure it is securely in place.

Usage Steps

1. **Load Your Shotgun:** Once the adapter is installed, you can load 1.75inch shotshells directly from the magazine.
2. **Remove the Adapter:** If you wish to use longer shells, simply pull the OPSOL MINICLIP 2.0 FLEX out of the receiver. This can be done quickly and easily.
3. **Regular Maintenance:** Periodically check the adapter for any signs of wear or damage. Clean as necessary to ensure optimal performance.

Disposal Instructions

- Dispose of the OPSOL MINICLIP 2.0 FLEX responsibly.
- Follow local regulations for disposal of nonhazardous materials.

- Do not discard in regular household waste if it can be recycled.

Contact Information for Further Support

For any safety inquiries or additional support regarding the OPSOL MINICLIP 2.0 FLEX, please refer to the manufacturer's customer service resources.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation (GPSR). Enjoy your enhanced shooting experience with the OPSOL MINICLIP 2.0 FLEX!
