ASRBC7.62 ASR Compatible BattleComp Muzzle Brake Safety Instruction Guide

Introduction

Thank you for choosing the ASRBC7.62 ASR Compatible BattleComp Muzzle Brake by Battle Comp Enterprises. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the muzzle brake is installed by a qualified gunsmith or experienced individual.
- Always handle firearms with care and follow standard firearm safety rules.
- Use the muzzle brake only with compatible suppressors as specified in the product description.
- Keep the muzzle brake and associated equipment out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for signs of wear or damage before each use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Compatibility:** Only use the ASRBC7.62 with firearms chambered in 7.62 NATO and compatible calibers ranging from 6.5 to .300 Win. Mag.
- **Installation:** Ensure that the muzzle brake is properly threaded onto the muzzle (5/824 TPI) and securely tightened before use.
- **Suppressor Use:** When using a suppressor, ensure it is compatible with the ASRBC7.62 and that all components are properly aligned.
- **Shooting Environment:** Always shoot in a safe and controlled environment, ensuring that bystanders are at a safe distance.
- **Maintenance:** Clean the muzzle brake regularly to prevent carbon buildup and ensure optimal performance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing muzzle device from the firearm.
- Clean the muzzle threads to remove debris or obstructions.
- Align the ASRBC7.62 muzzle brake with the firearm's muzzle threads.
- Handtighten the muzzle brake until secure, then use a proper tool to tighten it further without overtorquing.
- Verify that the muzzle brake is securely attached and does not wobble.

2. Usage:

- Before firing, ensure the muzzle brake is clear of obstructions.
- Follow all standard firearm safety practices.
- After use, check the muzzle brake for any signs of wear or damage.

Disposal Instructions

- Dispose of the ASRBC7.62 muzzle brake responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- Contact local waste management authorities for information on proper disposal methods for metal components.

Contact Information for Further Support

For inquiries regarding safety or product support, please refer to the contact information provided on the packaging or in the product documentation.
