

SIG SAUER P320 ADVANCED CURVED TRIGGER - APEX TACTICAL SPECIALTIES INC SIG SAUER P320 ADVANCED CURVED TRIGGER

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Shortens Reach Length & Lowers Pull Weight

The Apex Tactical SIG P320 Advanced Curved Trigger replaces the factory P320 trigger with redesigned geometry that delivers a 35% reduction in pull weight, plus a better overall "feel." Apex Tactical's SIG Sauer P320 Advanced Curved Trigger's face replicates the contour of the factory trigger. Fits all P320 models (but does not fit P250) Reduces trigger pull weight by approximately 35% In X-Series models, reduces pull weight by approximately 10% and overall travel 15% Preserves factory safety values - will not affect drop-test safety Does NOT change sear geometry or spring weights The Apex Tactical SIG P320 Advanced Curved Trigger fits all variations of the P320 pistol and installs easily, without tools. Remove it any time and reinstall the factory trigger to return your gun to its original configuration. IMPORTANT NOTICE: This product is ONLY for use in the "factory upgraded" models of the P320 which have the full complement safety enhancements.

SIG SAUER P320 Advanced Curved Trigger Safety Instruction Guide

Introduction

Thank you for choosing the SIG SAUER P320 Advanced Curved Trigger from Apex Tactical Specialties Inc. This guide provides essential safety instructions to ensure the safe and effective use of your new trigger. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm in a secure location, away from children and unauthorized users.
- Regularly inspect your firearm and trigger for any signs of wear or damage.
- Ensure that you are familiar with the operation of your firearm and its components.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- This trigger is designed for use only with the factory upgraded models of the SIG SAUER P320 that have full complement safety enhancements.
- The trigger does not fit the P250 model. Ensure compatibility before installation.
- Do not alter the trigger or any firearm components, as this may compromise safety.
- Always ensure that your firearm is unloaded before installing or removing the trigger.
- Be aware that the trigger reduces pull weight by approximately 35%, which may affect your shooting technique.
- Maintain factory safety values; this product will not affect droptest safety.
- If you experience any issues with the trigger, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the factory trigger from your P320 according to the manufacturer's instructions.
- Carefully install the SIG SAUER P320 Advanced Curved Trigger by reversing the removal process.
- Ensure that the trigger is securely in place before proceeding.

2. Usage:

- After installation, test the trigger in a safe environment to familiarize yourself with its feel and operation.
- Practice safe handling and shooting techniques at all times.
- If you wish to revert to the factory trigger, simply remove the Advanced Curved Trigger and reinstall the original trigger.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and firearm components.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer or your local firearms dealer. They can provide you with the necessary assistance and information.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you is our top priority. Enjoy using your SIG SAUER P320 Advanced Curved Trigger responsibly.
