Safety Instruction Guide for AICS Pattern Magazine

Introduction

Thank you for choosing the AccurateMag AICS Pattern 6.5 Creedmoor Double Stack Magazine. This guide provides essential safety instructions to ensure safe handling, usage, and disposal of your magazine. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the magazine is compatible with your rifle model before use.
- Always handle the magazine with care and keep it away from children.
- Store the magazine in a safe and secure location when not in use.
- Regularly inspect the magazine for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of firearms and magazines.

Specific Safety Precautions for Use

- Do not use the magazine if it is damaged or shows signs of wear.
- Avoid using the magazine with ammunition types that are not specified for use.
- Ensure that the magazine is properly inserted into the rifle before attempting to fire.
- Always keep the firearm pointed in a safe direction when loading or unloading the magazine.
- Do not attempt to modify the magazine in any way, as this may compromise safety and functionality.
- Be aware of your surroundings and ensure that you are in a safe environment when using the magazine.

Instructions for Installation and Usage

1. Installation:

- Ensure that the rifle is unloaded before inserting the magazine.
- Align the magazine with the magazine well of your rifle.
- Push the magazine firmly into the magazine well until you hear a click, indicating it is securely locked in place.

2. Usage:

- Load the magazine with the appropriate ammunition (6.5 Creedmoor).
- Insert the loaded magazine into the rifle as described above.
- To remove the magazine, press the magazine release button and pull the magazine out of the magazine well.
- Always check that the magazine is empty before cleaning or storing.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding metal waste.
- Do not dispose of the magazine in regular household waste.
- If the magazine is damaged beyond repair, consider recycling the metal components if possible.

Contact Information for Further Support
