## **Enhance Your M&P M2.0 Trigger**

One of the upgrades on the new Smith & Wesson M&P M2.0 is the inclusion of a better trigger, but factory triggers can always be improved, and that's why M&P pistol owners can count on the Apex Tactical S&W M&P M2.0 Shield Action Enhancement Trigger. The Apex Tactical S&W M&P M2.0 Shield Action Enhancement Trigger works through the replacement of the factory trigger, allowing users to easily install an anodized aluminum trigger body that improves the trigger pull. Reduces pre-travel and over-travel by 20 percent. Fits all 9mm and .40 S&W M2.0 Shield pistols. Preserves all factory safety values. The Apex Tactical S&W M&P M2.0 Shield Action Enhancement Trigger can also be paired with the Apex M2.0 Shield Duty/Carry kit.

# Safety Instruction Guide for S&W M&P M2.0 Shield Action Enhancement Trigger

## Introduction

Thank you for choosing the S&W M&P M2.0 Shield Action Enhancement Trigger by Apex Tactical Specialties Inc. This guide provides essential safety information and instructions for the proper use and installation of your product to ensure safe operation and compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is compatible with the S&W M&P M2.0 Shield model before installation.
- Always handle firearms and related accessories with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the S&W M&P M2.0 Shield Action Enhancement Trigger with compatible firearms.
- Ensure that the firearm is unloaded before starting installation or maintenance.
- Wear appropriate safety gear, such as eye protection, when handling firearms.
- Do not attempt to modify or alter the trigger in any way that is not specified by the manufacturer.
- Be aware of your surroundings and ensure that you are in a safe environment when using the firearm.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a punch tool, hammer, and safety glasses.

#### 2. Remove the Factory Trigger:

- Disassemble the firearm according to the manufacturer's instructions.
- Locate the factory trigger mechanism and carefully remove it using the punch tool.

#### 3. Install the Apex Trigger:

- Align the Apex Tactical S&W M&P M2.0 Shield Action Enhancement Trigger with the trigger housing.
- Carefully insert the trigger and ensure it is seated properly.
- Reassemble the firearm following the manufacturer's guidelines.

#### 4. Test the Trigger:

- Once reassembled, conduct a function check to ensure proper operation.
- Ensure that the trigger pull is smooth and the firearm functions correctly.

## **Usage Instructions**

- Always follow standard firearm safety practices when using the firearm equipped with the Apex trigger.
- Regularly check the trigger and the firearm for any signs of malfunction or wear.
- If you experience any issues, cease use immediately and consult a qualified gunsmith.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact a local waste disposal facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the S&W M&P M2.0 Shield Action Enhancement Trigger, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety and compliance while using your Apex Tactical product. Your attention to these guidelines will help ensure a safe and enjoyable experience.
