

TRITIUM FRONT SIGHT FOR GLOCK® - 0.150"X0.125" GREEN W/WHITE OUTLINE SIGHT FOR GLOCK®

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Low-Profile Combat Sights In Plain Black Or With Tritium Dots

The AmeriGlo Tritium Front Sight has been expressly designed for your favorite Glock and is a fixed, low-profile combat sight providing drop-in replacement for your factory sights. This sight features streamlined contours with rounded corners to help prevent snags and hang-ups. The AmeriGlo Tritium Front Sight offers a precision-machined steel sight body that sits low in the slide to resist catching on clothing during the draw, yet will stand up to the abuse of hard operational and competition use. This sight has been engineered to help you acquire the sights and get on target quickly under stress. And there is nothing to turn on, as the ambient light gets lower, the Tritium dot starts glowing.

TRITIUM FRONT SIGHT FOR GLOCK® Safety Instruction Guide

Introduction

Thank you for choosing the AmeriGlo Tritium Front Sight for your Glock®. This guide provides essential safety instructions to ensure the safe use and installation of your new sight. Please read this document carefully before use.

General Safety Guidelines

- Ensure the product is suitable for your specific Glock model before installation.
- Always handle firearms and accessories with care and follow all safety protocols.
- Store the sight in a safe location away from children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not attempt to modify the sight in any way, as this may compromise its safety and functionality.
- Ensure that the firearm is unloaded before installing or adjusting the sight.
- Avoid exposing the sight to extreme temperatures or harsh chemicals that may damage it.
- Use the sight only as intended and follow all firearm safety rules during operation.
- If you experience any issues with the sight, cease use immediately and consult a professional.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Confirm that your Glock is unloaded and pointed in a safe direction.
2. **Remove Factory Sight:** Use a sight tool to carefully remove the factory front sight from your Glock.
3. **Prepare New Sight:** Inspect the AmeriGlo Tritium Front Sight for any visible defects.
4. **Install New Sight:** Align the Tritium Front Sight with the sight dovetail on your Glock. Gently press it into place using a sight tool.
5. **Secure the Sight:** Ensure that the sight is correctly seated and secure in the dovetail.

Usage

- The Tritium dot will automatically glow in low light conditions, providing enhanced visibility.
- Practice acquiring the sight quickly to improve your target acquisition under stress.
- Regularly clean the sight to maintain optimal performance and visibility.

Disposal Instructions

- Dispose of the sight in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- If the sight is damaged or no longer functional, contact your local waste management for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AmeriGlo Tritium Front Sight, please contact the manufacturer or

your retailer for assistance. Ensure that you have your product details available when seeking support.

By following these safety instructions, you can enjoy the benefits of your AmeriGlo Tritium Front Sight while ensuring safe practices. Thank you for your attention to safety!
