

TRITIUM FRONT SIGHT FOR GLOCK® - AMERIGLO 0.180"X0.140" GREEN W/WHITE OUTLINE SIGHT FOR GLOCK®

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Low-Profile Combat Sights In Plain Black Or With Tritium Dots

The AmeriGlo Tritium Front Sight has been expressly designed for your favorite Glock and is a fixed, low-profile combat sight providing drop-in replacement for your factory sights. This sight features streamlined contours with rounded corners to help prevent snags and hang-ups. The AmeriGlo Tritium Front Sight offers a precision-machined steel sight body that sits low in the slide to resist catching on clothing during the draw, yet will stand up to the abuse of hard operational and competition use. This sight has been engineered to help you acquire the sights and get on target quickly under stress. And there is nothing to turn on, as the ambient light gets lower, the Tritium dot starts glowing.

Safety Instruction Guide for AmeriGlo Tritium Front Sight for Glock

Introduction

Thank you for choosing the AmeriGlo Tritium Front Sight for your Glock. This product has been designed to enhance your shooting experience by providing a reliable and efficient sighting option. To ensure your safety and the optimal performance of the sight, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Always handle firearms and accessories with care.
- Ensure that the firearm is unloaded before installing or handling the sight.
- Keep the sight and firearm out of reach of children and unauthorized users.
- Inspect the sight regularly for any signs of damage or wear.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm use and accessories.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation may lead to malfunction or misalignment of the sight.
 - Using the sight with a damaged firearm can pose a safety risk.
- **Avoiding Hazards:**
 - Ensure that the sight is securely installed before use.
 - Do not attempt to modify the sight or firearm in any way.
 - Always verify that the sight is functioning correctly before taking it to the range.
- **AgeSpecific Warnings:**
 - This product is intended for use by adults.
 - Keep out of reach of children to prevent accidental discharge or misuse.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front sight from the Glock using appropriate tools.
- Align the AmeriGlo Tritium Front Sight with the sight dovetail.
- Securely install the sight by following the manufacturer's instructions for tightening.
- Check that the sight is properly aligned and stable.

2. Usage:

- Familiarize yourself with the sighting system before using it in a livefire situation.
- Practice acquiring the sight picture in various lighting conditions to understand how the Tritium dot performs.
- Remember that the Tritium dot does not require activation; it will glow in low light conditions.

Disposal Instructions

- Dispose of the sight in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's website or customer service resources. It is important to have a reliable point of contact for any concerns related to the product.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Always remember to practice safe handling and usage of your firearm and accessories.
