

TRITIUM FRONT SIGHT FOR GLOCK® - AMERIGLO 0.200"X0.140" GREEN W/WHITE OUTLINE SIGHT FOR GLOCK®

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Low-Profile Combat Sights In Plain Black Or With Tritium Dots

The AmeriGlo Tritium Front Sight has been expressly designed for your favorite Glock and is a fixed, low-profile combat sight providing drop-in replacement for your factory sights. This sight features streamlined contours with rounded corners to help prevent snags and hang-ups. The AmeriGlo Tritium Front Sight offers a precision-machined steel sight body that sits low in the slide to resist catching on clothing during the draw, yet will stand up to the abuse of hard operational and competition use. This sight has been engineered to help you acquire the sights and get on target quickly under stress. And there is nothing to turn on, as the ambient light gets lower, the Tritium dot starts glowing.

TRITIUM FRONT SIGHT FOR GLOCK® Safety Instruction Guide

Introduction

Thank you for choosing the AmeriGlo Tritium Front Sight for your Glock. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new sight. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a front sight for Glock firearms.
- Familiarize yourself with your firearm's manual and safety features before installation.
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the sight and firearm out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of wear or damage.
- If you experience any issues with the sight, discontinue use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- The Tritium dot is designed to glow in low light conditions; however, it does not replace the need for proper firearm handling and safety practices.
- Avoid using the sight in conditions where visibility is severely compromised, as this may affect your aim and accuracy.
- Do not attempt to modify or disassemble the sight, as this may lead to malfunction or injury.
- Ensure that the sight is securely attached to the firearm before use to prevent it from becoming dislodged during operation.
- Always wear appropriate eye protection when handling firearms.

Instructions for Installation and Usage

Installation

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, including a sight pusher or appropriate punch tool.
2. **Unload Your Firearm:** Before installing the sight, ensure that your firearm is completely unloaded.
3. **Remove Factory Sight:** Use the sight pusher or punch tool to carefully remove the factory front sight from your Glock.
4. **Install the Tritium Front Sight:** Align the AmeriGlo Tritium Front Sight with the mounting slot and press it into place using the sight pusher or punch tool.
5. **Secure the Sight:** Ensure the sight is firmly seated and does not move when pressure is applied.
6. **Check Alignment:** Verify that the sight is correctly aligned with the rear sight for optimal aiming.

Usage

- When aiming, focus on the front sight and align it with the target.
- Utilize the Tritium dot for quick target acquisition in lowlight situations.
- Practice regularly to become familiar with the sight's performance and adjust your shooting technique as necessary.

Disposal Instructions

- Dispose of the sight in accordance with local regulations.
- If the sight is damaged or no longer functional, do not attempt to repair it. Instead, follow local hazardous waste disposal guidelines.

Contact Information for Further Support

For any safety inquiries or issues related to the AmeriGlo Tritium Front Sight, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

Your safety is paramount when using firearms and accessories. By following these guidelines, you can ensure a safer experience with your AmeriGlo Tritium Front Sight for Glock. Always stay informed about safety practices and updates regarding your product. Thank you for prioritizing safety in your firearm handling.
