

# TRITIUM FRONT SIGHT FOR GLOCK® - AMERIGLO 0.240"X0.125" GREEN W/WHITE OUTLINE SIGHT FOR GLOCK®

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

## Low-Profile Combat Sights In Plain Black Or With Tritium Dots

The AmeriGlo Tritium Front Sight has been expressly designed for your favorite Glock and is a fixed, low-profile combat sight providing drop-in replacement for your factory sights. This sight features streamlined contours with rounded corners to help prevent snags and hang-ups. The AmeriGlo Tritium Front Sight offers a precision-machined steel sight body that sits low in the slide to resist catching on clothing during the draw, yet will stand up to the abuse of hard operational and competition use. This sight has been engineered to help you acquire the sights and get on target quickly under stress. And there is nothing to turn on, as the ambient light gets lower, the Tritium dot starts glowing.

# TRITIUM FRONT SIGHT FOR GLOCK® Consumer Safety Instruction Guide

## Introduction

Thank you for choosing the AmeriGlo Tritium Front Sight for your Glock® firearm. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before installation and use.

## General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following general safety guidelines:

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and ammunition separately and securely to prevent unauthorized access, especially by children.
- Familiarize yourself with local laws and regulations regarding firearm ownership and use.
- Regularly inspect your firearm and accessories for wear or damage.
- Always use appropriate eye and ear protection when handling firearms.

## Specific Safety Precautions for Use

When using the AmeriGlo Tritium Front Sight, please observe the following specific precautions:

- Ensure the firearm is unloaded before attempting to install or adjust the sight.
- Do not attempt to modify or alter the sight in any way, as this can compromise safety and performance.
- Be aware that the Tritium dot will glow in lowlight conditions; ensure that you are familiar with how this feature works before use.
- If you notice any unusual behavior or damage to the sight, discontinue use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

To ensure proper installation and usage of the AmeriGlo Tritium Front Sight, please follow these instructions:

### Installation

1. **Gather Tools:** You will need a sight pusher tool or a brass punch and a hammer.
2. **Unload the Firearm:** Ensure the firearm is completely unloaded.
3. **Remove the Factory Sight:**
  - Use the sight pusher tool or carefully tap the factory sight out using the brass punch and hammer.
  - Take care not to damage the slide during this process.
4. **Install the AmeriGlo Sight:**
  - Align the AmeriGlo Tritium Front Sight with the sight dovetail on the slide.
  - Use the sight pusher tool to press the sight into place, or gently tap it in using the brass punch.
  - Ensure the sight is securely installed and does not move.
5. **Check Alignment:** After installation, check the alignment of the sight to ensure it is straight and centered.

### Usage

- When aiming, align the front sight with the rear sight and your target.
- The Tritium dot will glow in lowlight conditions, aiding in quick target acquisition.

- Practice regularly to become familiar with the sight and improve your shooting accuracy.

## Disposal Instructions

When it comes time to dispose of the AmeriGlo Tritium Front Sight, please follow these guidelines:

- Do not dispose of the sight in regular household waste.
- Check local regulations regarding the disposal of firearm accessories.
- If the sight is damaged or no longer usable, consider taking it to a hazardous waste facility or contacting a local firearms dealer for proper disposal.

## Contact Information for Further Support

For any questions or concerns regarding the AmeriGlo Tritium Front Sight, please refer to the manufacturer's website or contact their support team for assistance.

## Conclusion

By following the safety instructions outlined in this guide, you can ensure a safe and effective experience with your AmeriGlo Tritium Front Sight. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
