

TRITIUM FRONT SIGHT FOR GLOCK® - AMERIGLO 0.350"X0.125" GREEN W/WHITE OUTLINE SIGHT FOR GLOCK®

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Low-Profile Combat Sights In Plain Black Or With Tritium Dots

The AmeriGlo Tritium Front Sight has been expressly designed for your favorite Glock and is a fixed, low-profile combat sight providing drop-in replacement for your factory sights. This sight features streamlined contours with rounded corners to help prevent snags and hang-ups. The AmeriGlo Tritium Front Sight offers a precision-machined steel sight body that sits low in the slide to resist catching on clothing during the draw, yet will stand up to the abuse of hard operational and competition use. This sight has been engineered to help you acquire the sights and get on target quickly under stress. And there is nothing to turn on, as the ambient light gets lower, the Tritium dot starts glowing.

TRITIUM FRONT SIGHT FOR GLOCK® Safety Instruction Guide

Introduction

Thank you for choosing the AmeriGlo Tritium Front Sight for your Glock. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new sight. Please read this document carefully before use.

General Safety Guidelines

- Ensure the product is intended for use with Glock firearms only.
- Always handle your firearm with care and follow standard firearm safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of wear or damage before use.
- If you notice any defects or issues with the sight, do not use it and contact a qualified professional for assistance.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

Specific Safety Precautions for Use

- Use the sight only as intended and according to the manufacturer's instructions.
- Do not modify the sight in any way, as this may compromise its safety and performance.
- Avoid exposing the sight to extreme temperatures or harsh chemicals, which may affect its functionality.
- If the Tritium dot is not glowing or appears damaged, cease use immediately and consult a professional.
- Always ensure your firearm is unloaded when installing or adjusting the sight.

Instructions for Installation and Usage

1. Installation:

- Ensure your Glock is unloaded and pointed in a safe direction.
- Remove the factory front sight using a sight pusher or appropriate tool.
- Clean the sight mounting area on the slide to remove any debris or old adhesive.
- Align the AmeriGlo Tritium Front Sight with the mounting area and press it into place.
- Secure the sight according to the manufacturer's specifications, ensuring it is firmly in place.

2. Usage:

- Familiarize yourself with the sight's features and how it operates in various lighting conditions.
- Practice aiming and shooting with the sight in a controlled environment to build confidence.
- Regularly check the sight's alignment and function, especially before competitive shooting or critical use.

Disposal Instructions

- Dispose of the sight in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not dispose of the sight in regular household waste.
- If the Tritium dot is damaged, consult local authorities for proper disposal methods to ensure safety.

Contact Information for Further Support

For any safety inquiries or concerns regarding your AmeriGlo Tritium Front Sight, please refer to the manufacturer's contact information provided in the product packaging or on the official AmeriGlo website.

By following these guidelines, you can ensure the safe and effective use of your AmeriGlo Tritium Front Sight for Glock. Thank you for prioritizing safety.
