

TRITIUM FRONT SIGHT FOR GLOCK® - AMERIGLO 0.407"X0.140" GREEN W/WHITE OUTLINE SIGHT FOR GLOCK®

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Low-Profile Combat Sights In Plain Black Or With Tritium Dots

The AmeriGlo Tritium Front Sight has been expressly designed for your favorite Glock and is a fixed, low-profile combat sight providing drop-in replacement for your factory sights. This sight features streamlined contours with rounded corners to help prevent snags and hang-ups. The AmeriGlo Tritium Front Sight offers a precision-machined steel sight body that sits low in the slide to resist catching on clothing during the draw, yet will stand up to the abuse of hard operational and competition use. This sight has been engineered to help you acquire the sights and get on target quickly under stress. And there is nothing to turn on, as the ambient light gets lower, the Tritium dot starts glowing.

Safety Instruction Guide for AmeriGlo Tritium Front Sight for Glock

Introduction

Thank you for choosing the AmeriGlo Tritium Front Sight for your Glock. This guide provides essential safety instructions and information to ensure safe and effective use of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or adjusting the sight.
- Inspect the sight regularly for any signs of damage or wear.
- Use the sight only for its intended purpose as specified in this guide.
- Keep the sight away from children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to misalignment, affecting accuracy.
- The sight may become damaged if exposed to extreme conditions.

- **Avoiding Hazards:**

- Ensure proper installation by following the instructions in this guide.
- Do not use the sight if it shows signs of damage or malfunction.
- Store the sight in a cool, dry place away from direct sunlight.

- **AgeSpecific Warnings:**

- This product is intended for adult use only. Keep out of reach of children.

Instructions for Installation and Usage

1. Installation:

- Ensure your Glock is unloaded.
- Remove the factory front sight using appropriate tools.
- Align the AmeriGlo Tritium Front Sight with the sight dovetail on the slide.
- Secure the sight by tightening the set screw until snug. Do not overtighten.

2. Usage:

- The Tritium dot will glow in lowlight conditions without any need for activation.
- Practice aiming and shooting with the sight in a safe environment to familiarize yourself with its function.
- Regularly check the alignment and condition of the sight before use.

Disposal Instructions

- Dispose of the sight in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AmeriGlo Tritium Front Sight, please refer to the contact information provided by the retailer or manufacturer where you purchased the product. It is important to reach out for assistance if needed.

By following these guidelines, you can ensure safe and effective use of your AmeriGlo Tritium Front Sight for Glock. Thank you for prioritizing safety!
