See Your Center-Mass Hits

The Champion Center Mass Steel Targets provide target shooters with high-quality steel targets that provide instant shot feedback, ensuring that a day at the range can be spent shooting rather than constantly checking for small holes in paper targets. The Champion Center Mass Steel Targets are constructed using premium-grade AR500 steel, which is rated to withstand multiple bullet impacts from most common centerfire rifles. Round target design Measures 3/8 of an inch thick The Champion Center Mass Steel Targets also features clean laser-cut edges to ensure consistency and quality and includes square-cut holes designed for mounting with 1/2-inch carriage bolts.

CENTER MASS 3/8" ROUND AR500 STEEL TARGETS

SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Champion Center Mass 3/8" Round AR500 Steel Targets. These highquality steel targets are designed for target shooters seeking reliable performance and instant shot feedback. This safety instruction guide provides essential information to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always wear appropriate safety gear, including eye protection and hearing protection, when using steel targets.
- Only use ammunition that is compatible with AR500 steel targets. Avoid using armorpiercing or tracer rounds.
- Ensure that the shooting area is clear of bystanders and that a safe distance is maintained.
- Regularly inspect the targets for any signs of damage or wear before each use.
- Follow local laws and regulations regarding shooting activities and target use.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Steel targets can create ricochet hazards. Ensure a safe backstop is in place to catch any stray bullets.
 - Use only in designated shooting ranges or areas where shooting is permitted.
- **Avoiding Hazards:**
 - Maintain a safe shooting distance of at least 10 yards (9 meters) from the target.
 - Do not shoot at targets that are damaged or have visible deformation.
 - Ensure that all shooters are aware of the shooting line and maintain proper shooting etiquette.
- **AgeSpecific Warnings:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

- **Installation:**
 - Choose a suitable location for the target that is safe and compliant with local regulations.
 - Use 1/2inch carriage bolts to mount the target securely.
 - Ensure that the target is mounted at a height that allows for safe shooting angles.
- **Usage:**
 - Before shooting, confirm that the area is clear of people and obstacles.
 - Fire at a controlled pace, allowing time for each shot.
 - After shooting, check the target for damage and ensure that it remains securely mounted.

Disposal Instructions

- Dispose of any damaged steel targets in accordance with local regulations for metal recycling.
- Do not dispose of targets in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Champion Center Mass Steel Targets, please refer to the contact information provided on the product packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and enjoyable shooting experience with your Champion Center Mass 3/8" Round AR500 Steel Targets. Always prioritize safety and responsible shooting practices.
