Safety Instruction Guide for CENTER MASS 3/8" SQUARE AR500 STEEL TARGETS

Introduction

Thank you for choosing the Champion Center Mass 3/8" Square AR500 Steel Targets. These targets are designed to enhance your shooting experience by providing immediate feedback on hits. This guide contains essential safety instructions and guidelines to ensure safe and effective use of these steel targets.

General Safety Guidelines

- Always ensure that the shooting range is clear of unauthorized personnel before using the targets.
- Wear appropriate eye and ear protection while shooting.
- Ensure that all participants are aware of the shooting activity and follow range safety protocols.
- Inspect the targets before each use for any signs of damage or wear.
- Keep a safe distance from the targets while shooting to avoid ricochets.
- Use only recommended calibers and ammunition for the targets to prevent damage and ensure safety.
- Never shoot at targets that are not securely mounted or that show signs of damage.

Specific Safety Precautions for Use

- **Target Placement:**
 - Position targets at a safe distance from the shooter, ideally at least 10 yards for handguns and 100 yards for rifles.
- **Ammunition Type:**
 - Use only full metal jacket (FMJ) or softpoint ammunition. Avoid armorpiercing or tracer rounds.
- **Shooting Angle:**
 - Aim for the center of the target to minimize the risk of ricochets. Avoid shooting at angles that could redirect bullets towards the shooter or bystanders.
- **Weather Conditions:**
 - Do not use targets in extreme weather conditions, such as heavy rain or high winds, which may affect shooting accuracy and safety.
- **Children and Vulnerable Groups:**
 - Keep children and pets away from the shooting area. Ensure that only trained and responsible individuals handle firearms.

Instructions for Installation and Usage

- **Installation:**
 - Choose a stable and secure mounting location for the targets.
 - Use the squarecut holes in the targets to mount them with 1/2inch carriage bolts. Ensure that the bolts are tightened securely.
 - Verify that the target is level and at the appropriate height for shooters.
- **Usage:**
 - Before shooting, ensure that the area is clear and that all safety measures are in place.
 - Begin shooting at the target, ensuring that you follow all safety guidelines.
 - After use, inspect the targets for any damage and replace them if necessary.

Disposal Instructions

- When the targets reach the end of their usable life, dispose of them in accordance with local regulations.
- Do not dispose of targets in regular household waste if they are damaged or contain hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with your purchase.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable shooting experience with your Champion Center Mass Steel Targets. Always prioritize safety and adhere to local laws and regulations when using firearms and targets.
