Safety Instruction Guide for CENTER MASS 3/8" IPSC AR500 Steel Targets

Introduction

Thank you for choosing the Champion Center Mass IPSC Steel Targets. This guide provides essential safety instructions and information to ensure safe and effective use of your target. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure that all users are familiar with safe firearm handling practices.
- Always wear appropriate eye and ear protection when shooting.
- Use only firearms that are suitable for use with AR500 steel targets.
- Do not use steel ammunition, as it can cause ricochets.
- Ensure that the target is placed in a safe shooting environment, away from people and property.
- Regularly inspect the target for damage or wear. Replace if necessary.
- Keep the shooting area clear of unauthorized personnel.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that minors are supervised by a responsible adult at all times.
- **Shooting Distance:** Maintain a minimum distance of 10 yards for handguns and 100 yards for rifles to reduce the risk of injury from ricochets.
- **Target Positioning:** Mount the target securely and ensure it is stable. Avoid shooting at targets that are not properly secured.
- **Environmental Considerations:** Avoid using the target in wet or muddy conditions, as this can affect stability and safety.
- **Emergency Procedures:** In case of an injury, seek medical assistance immediately. Keep a first aid kit nearby.

Instructions for Installation and Usage

Installation

1. **Select a Location:** Choose a safe and appropriate location for mounting the target, ensuring it is away from people and structures.
2. **Mounting the Target:**
 - Use 1/2inch steel carriage bolts to securely mount the target.
 - Ensure that the target is mounted at a height and angle that minimizes ricochet risks.
3. **Stability Check:** After installation, check the target for stability. Ensure it does not wobble or move when struck.

Usage

1. **PreShooting Inspection:**
 - Inspect the target for any signs of damage or excessive wear.
 - Ensure that the area around the target is clear of obstructions and unauthorized personnel.
2. **Shooting:**
 - Use only appropriate firearms and ammunition as specified.
 - Stand at the recommended shooting distance.
 - Aim carefully and shoot without distraction.
3. **PostShooting:**

- Inspect the target for damage after each shooting session.
- Clean the target as needed to remove debris and maintain visibility.

Disposal Instructions

When disposing of the Champion Center Mass IPSC Steel Targets, follow these guidelines:

- **Recycling:** If possible, recycle the steel target according to local recycling regulations.
- **Disposal:** If recycling is not an option, dispose of the target in accordance with local waste management guidelines.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Champion Center Mass IPSC Steel Targets. Always prioritize safety and responsible shooting practices. Thank you for your purchase and commitment to safety.
