

# 417 COMPENSATOR FOR GLOCK® GEN 3 & 4 - AGENCY ARMS 417 COMP FOR GLOCK® GEN 3, 1/2"X28 BLACK

[Handgun Parts](#) > [Barrel Parts](#) > [Muzzle Devices](#) > [Compensators](#)

## Faster Follow-Up. More Control.

Looking to get a bit more control over your 9mm Glock handguns? Want faster follow-up shots? Adding an Agency Arms 417 Compensator to your Glock Gen 3 or 4 handguns enables owners to do more with their guns, thanks to a unique design. Machined from 7075 aluminum, the Agency Arms 417 Compensator fits all Gen 3 and Gen 4 models of the Glock G17, G19 and G34. The muzzle device features a two-chamber design, featuring two vertical ports as well as two ports that vent off to the side. Options are available with both black and gold finishes. For installation, the Agency Arms 417 Compensator ships with the set screws needed, and owners can continue using their OEM recoil-spring assembly. The device requires a threaded barrel with a 1/2-28 TPI thread pitch. Another added feature of the Agency Arms 417 Compensator is a machined hole compatible with all Glock front sights, allowing users to enhance their sight radius.

# **Safety Instruction Guide for Agency Arms 417 Compensator for Glock® Gen 3 & 4**

## **Introduction**

Thank you for choosing the Agency Arms 417 Compensator for your Glock® Gen 3 or 4 handguns. This guide provides essential safety instructions and information to ensure safe and effective use of the product. Please read this manual carefully before installation and usage.

## **General Safety Guidelines**

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the compensator and all firearms out of reach of children and unauthorized users.
- Regularly inspect your firearm and the compensator for wear and tear.
- Do not modify the compensator or firearm in any way that could compromise safety.
- Report any unsafe products or incidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- The Agency Arms 417 Compensator is designed for use with Glock® Gen 3 and Gen 4 models only. Ensure compatibility before installation.
- Use only a threaded barrel with a 1/228 TPI thread pitch for proper installation.
- Do not use the compensator with ammunition that exceeds the specifications for your firearm.
- Ensure that the compensator is securely attached before firing.
- Always wear appropriate eye and ear protection when using firearms equipped with the compensator.
- Avoid using the compensator in conditions where it may become obstructed, such as muddy or wet environments.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools, including an Allen wrench for set screws.

### **2. Installation**

- Remove the existing muzzle device (if applicable) from your Glock®.
- Clean the threaded barrel to remove any debris or contaminants.
- Align the Agency Arms 417 Compensator with the threaded barrel.
- Secure the compensator by tightening the set screws provided with the product.
- Ensure that the compensator is firmly attached and does not wobble.

### **3. Usage**

- Load your firearm with appropriate ammunition.
- Fire the firearm in a safe environment, ensuring you have a clear line of sight and backstop.
- Monitor the performance of the compensator during use. If any unusual behavior occurs, cease use immediately and inspect the device.

## **Disposal Instructions**

- Dispose of the Agency Arms 417 Compensator in accordance with local regulations.
- Do not dispose of the compensator in regular trash. Instead, contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Agency Arms 417 Compensator, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your Agency Arms 417 Compensator. Always prioritize safety and responsibility when handling firearms.
