

417 COMPENSATOR FOR GLOCK® GEN 3 & 4 - AGENCY ARMS 417 COMP FOR GLOCK® GEN 4, 1/2"X28 BLACK

[Handgun Parts](#) > [Barrel Parts](#) > [Muzzle Devices](#) > [Compensators](#)

Faster Follow-Up. More Control.

Looking to get a bit more control over your 9mm Glock handguns? Want faster follow-up shots? Adding an Agency Arms 417 Compensator to your Glock Gen 3 or 4 handguns enables owners to do more with their guns, thanks to a unique design. Machined from 7075 aluminum, the Agency Arms 417 Compensator fits all Gen 3 and Gen 4 models of the Glock G17, G19 and G34. The muzzle device features a two-chamber design, featuring two vertical ports as well as two ports that vent off to the side. Options are available with both black and gold finishes. For installation, the Agency Arms 417 Compensator ships with the set screws needed, and owners can continue using their OEM recoil-spring assembly. The device requires a threaded barrel with a 1/2-28 TPI thread pitch. Another added features of the Agency Arms 417 Compensator is a machined hole compatible with all Glock front sights, allowing users to enhance their sight radius.

Agency Arms 417 Compensator Safety Instruction Guide

Introduction

Thank you for choosing the Agency Arms 417 Compensator for your Glock Gen 3 or 4 handgun. This guide provides important safety information and instructions to ensure the safe and effective use of your new compensator. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Ensure that you are in a secure environment when handling your firearm.
- Use only factory-manufactured ammunition that is appropriate for your handgun.
- Regularly inspect your firearm and compensator for any signs of wear or damage.
- Store your firearm and compensator in a secure location, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that you are in compliance with local laws regarding firearm use and modifications.

Specific Safety Precautions for Use

- The Agency Arms 417 Compensator is designed for use with Glock Gen 3 and 4 models (G17, G19, G34) only.
- Ensure that your Glock handgun has a threaded barrel with a 1/228 TPI thread pitch before installation.
- Do not attempt to install the compensator if you are unfamiliar with firearm modifications. Seek professional assistance if needed.
- Avoid using the compensator in conditions that may lead to a malfunction, such as extreme weather or if the compensator is damaged.
- Do not exceed the manufacturer's recommended specifications for ammunition or firearm modifications.

Instructions for Installation and Usage

1. Prepare Your Handgun:

- Ensure your Glock is unloaded and pointed in a safe direction.
- Remove the magazine and check the chamber to confirm it is empty.

2. Installation of the Compensator:

- Using the appropriate tools, carefully remove the existing muzzle device from your threaded barrel.
- Clean the threads on your barrel to ensure proper installation.
- Align the Agency Arms 417 Compensator with the threaded barrel and handtighten it to avoid crossthreading.
- Use the provided set screws to secure the compensator in place. Ensure they are tightened but do not overtighten.

3. Check Compatibility:

- Confirm that the compensator is securely attached and that there is no movement.
- Ensure that your front sight is compatible with the machined hole in the compensator for enhanced sight radius.

4. Usage:

- Before firing, doublecheck that all components are secure and that the compensator is functioning as intended.
- Practice safe shooting habits at all times, and be aware of the compensator's impact on recoil and muzzle rise.

Disposal Instructions

- Dispose of the Agency Arms 417 Compensator in accordance with local regulations regarding metal waste and firearm accessories.
- If the compensator is damaged or no longer usable, consider recycling the aluminum material where appropriate.

Contact Information for Further Support

For any questions or concerns regarding the Agency Arms 417 Compensator, please refer to the manufacturer's contact information provided with your product packaging or visit the official website.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Agency Arms 417 Compensator. Always prioritize safety and responsible firearm use. Thank you for your purchase.
