

# SB TACTICAL SLING ADAPTOR - MIDWEST INDUSTRIES SB TACTICAL SLING ADAPTOR

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

## Mount a Sling to Your Arm Brace

The firearms world has seen an explosion in the popularity of AR- and AK-style pistols equipped with a range of arm braces. Unfortunately, these braces don't provide the same level of versatility as rifle stocks, but the Midwest Industries SB Tactical Sling Adaptor adds some versatility to at least one manufacturer's braces. The Midwest Industries SB Tactical Sling Adaptor is built with the company's patent-pending design, providing users with a quick-detach sling socket that won't rotate freely, ensuring that pistol owners have a solid mounting point for their sling. Made from 6061 aluminum Features hard-anodized black finish Made for SB Tactical braces only The Midwest Industries SB Tactical Sling Adaptor is 100 percent made in the USA and fits the following SB Tactical arm braces: SBT, SBT5, SBT5K, SBTEVO.

# SB Tactical Sling Adaptor Safety Instructions

## Introduction

Thank you for choosing the SB Tactical Sling Adaptor from Midwest Industries. This product is designed to enhance the versatility of your SB Tactical arm braces. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the Sling Adaptor regularly for any signs of wear or damage before each use.
- Keep the product out of reach of children and unauthorized users.
- Do not use the Sling Adaptor for any purpose other than its intended use.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the Sling Adaptor is compatible with your SB Tactical arm brace model (SBT, SBT5, SBT5K, SBTEVO).
- Do not exceed the weight limit specified by the manufacturer for the sling and its attachments.
- Avoid using the Sling Adaptor in adverse weather conditions which may affect its performance.
- Use the quickdetach sling socket as instructed to prevent accidental release.
- Always confirm that the sling is securely attached before using the firearm.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Locate the attachment point on your SB Tactical arm brace.
- Align the Sling Adaptor with the attachment point.
- Securely fasten the Sling Adaptor according to the manufacturer's instructions.
- Doublecheck that the Sling Adaptor is firmly attached and does not rotate freely.

### 2. Usage

- Attach your sling to the quickdetach socket of the Sling Adaptor.
- Adjust the sling to your desired length for comfortable use.
- Always practice safe handling of your firearm while using the Sling Adaptor.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the Sling Adaptor is damaged or no longer needed, consider recycling the aluminum material where possible.
- Do not dispose of the product in household waste.

## Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's website or customer service resources.

By following these safety instructions, you can ensure a safer experience with your SB Tactical Sling Adaptor.

Thank you for your attention to safety and responsible firearm use.
