

# AK-47 BLAST CAN COMPENSATOR .30 CALIBER - MIDWEST INDUSTRIES BLAST CAN .30 CALIBER M14X1 LH ALUMINUM BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

## Redirect Your AK Muzzle Blast

The firearms market has seen increased popularity for AK-style pistols and even short-barreled rifle variants of popular 16-inch non-NFA carbine designs. An issue with these short-barreled models is the increased muzzle blast, especially with a support hand being near the muzzle. The Midwest Industries AK-47 Blast Can Compensator eliminates this issue. The Midwest Industries AK-47 Blast Can Compensator works by directing the escaping gases at the muzzle forward, thereby directing them away from appendages on handguards. The design does not reduce flash or recoil, however. Machined from 6061 aluminum Features hard-coat anodized black finish Measures 3.375 inches x 1.2 inches Weight: 3.2 ounces

## Attributes

- Name: [MIDWEST INDUSTRIES BLAST CAN .30 CALIBER M14X1 LH ALUMINUM BLACK](#)
- Manufacturer: [MIDWEST INDUSTRIES](#)
- Product no.: 100026711
- Mfr. No.: MI-BC762X39
- Caliber: 30 Caliber (.308)
- Finish: Black
- Material: Aluminum
- Threads: M14x1LH
- Weapon type: AK-47
- Delivery weight: 0.113kg
- Shipping height: 51mm
- Shipping width: 117mm

# Safety Instruction Guide for the AK47 Blast Can Compensator

## Introduction

Thank you for choosing the AK47 Blast Can Compensator. This product is designed to enhance the performance of AKstyle pistols and shortbarreled rifles by directing muzzle blast away from the shooter. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always treat firearms and related accessories with respect and caution.
- Ensure that you are familiar with the operation of your firearm before using this compensator.
- Keep the compensator and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the compensator for any signs of damage or wear.
- Use only compatible firearms with the specified thread size (M14x1 LH).
- Follow all local laws and regulations regarding firearm modifications and accessories.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the compensator.
- Do not use the compensator if it shows signs of damage or if it does not fit your firearm properly.
- Always wear appropriate eye and ear protection when using firearms equipped with the compensator.
- Be aware of your surroundings and ensure that the shooting area is safe and secure.
- Do not place any body parts near the muzzle when firing the firearm.
- Avoid using the compensator in enclosed spaces without proper ventilation.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the muzzle threads of the firearm to remove any dirt or debris.
- Align the compensator with the muzzle and screw it on clockwise until it is securely fastened.
- Use a wrench to tighten the compensator if necessary, but do not overtighten.

### 2. Usage:

- Before firing, doublecheck that the compensator is securely attached.
- Load the firearm according to the manufacturer's instructions.
- Fire the firearm while maintaining a proper grip and stance.
- After use, inspect the compensator for any signs of damage or loosening.

## Disposal Instructions

- Dispose of the compensator in accordance with local regulations regarding metal waste.
- If the compensator is damaged or no longer usable, do not attempt to repair it. Instead, follow local guidelines for safe disposal.

## Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the appropriate contact channels available in your

region. Always prioritize safety and compliance with local laws when using firearm accessories.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible firearm use and adherence to these instructions.
