

# HK 416 HANDGUARD FREE FLOAT M-LOK - MIDWEST INDUSTRIES

## HANDGUARD FREE FLOAT ALUMIUNUM 9 BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

### Add M-LOK Accessories to Your HK416

The Heckler & Koch HK416 rifle is well-known for its quality and performance capabilities, especially given its use by U.S. armed forces in recent years. However, the commercial market has exploded with M-LOK accessory attachments, and the Midwest Industries HK 416 Free-Float M-LOK Handguard enables owners of this battle rifle to take advantage of these recent additions to the firearms world. The Midwest Industries HK 416 Free-Float M-LOK Handguard is machined from durable 6061 aluminum and features a hard-coat anodized finish in black that protects against damage in rugged environments. The cross-bolt on the handguard is made from heat-treated 4140, which is finished in a phosphate coating. Available in 9-inch and 13.5-inch length. Provides seven sides of M-LOK attachment slots. Weight: 9.9 or 14 ounces, depending on model. Includes one M-LOK Picatinny rail. The Midwest Industries HK 416 Free-Float M-LOK Handguard installs with the factory barrel nut and is completely made in the USA.

### Attributes

# Safety Instruction Guide for HK 416 Handguard Free Float MLOK

## Introduction

Thank you for choosing the HK 416 Handguard Free Float MLOK by Midwest Industries. This product is designed to enhance the performance of your HK 416 rifle while ensuring safety during use. Please read this safety instruction guide carefully to ensure proper installation, usage, and maintenance of the handguard.

## General Safety Guidelines

- Ensure that the handguard is installed correctly to avoid any hazards during use.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the handguard and all accessories out of reach of children and unauthorized users.
- Regularly inspect the handguard for any signs of damage or wear. Do not use the product if it is damaged.
- Be aware of your surroundings when using firearms equipped with the handguard.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Do not exceed the recommended weight limit for attachments on the handguard.
- Ensure that all MLOK accessories are securely attached before use.
- Avoid using the handguard in extreme temperatures or conditions that may affect its integrity.
- Do not modify the handguard in any way that could compromise its safety or performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and the safety is engaged.
- Remove the existing handguard by loosening the factory barrel nut.
- Align the Midwest Industries HK 416 FreeFloat MLOK Handguard with the barrel nut and secure it in place.
- Tighten the crossbolt made from heat-treated 4140 to ensure a secure fit.
- Check that the handguard is properly installed and does not move.

### 2. Usage:

- Attach MLOK accessories as needed, ensuring they are properly secured.
- Regularly check the tightness of all attachments and the handguard itself.
- Maintain awareness of the handguard's condition during use, and stop using the firearm if any issues arise.

## Disposal Instructions

- Dispose of the handguard in accordance with local regulations for aluminum products.
- Do not dispose of the handguard in regular household waste.
- Consider recycling the handguard to reduce environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the HK 416 Handguard Free Float MLOK, please refer to the manufacturer's website or contact their support team. Always ensure that you have the latest information and updates regarding the product.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we hope you enjoy using the HK 416 Handguard Free Float MLOK.
