Add M-LOK Accessories to Your HK416

The Heckler & Koch HK416 rifle is well-known for its quality and performance capabilities, especially given its use by U.S. armed forces in recent years. However, the commercial market has exploded with M-LOK accessory attachments, and the Midwest Industries HK 416 Free-Float M-LOK Handguard enables owners of this battle rifle to take advantage of these recent additions to the firearms world. The Midwest Industries HK 416 Free-Float M-LOK Handguard is machined from durable 6061 aluminum and features a hard-coat anodized finish in black that protects against damage in rugged environments. The cross-bolt on the handguard is made from heat-treated 4140, which is finished in a phosphate coating. Available in 9-inch and 13.5-inch length Provides seven sides of M-LOK attachment slots Weight: 9.9 or 14 ounces, depending on model Includes one M-LOK Picatinny rail The Midwest Industries HK 416 Free-Float M-LOK Handguard installs with the factory barrel nut and is completely made in the USA.

Safety Instructions for HK 416 Handguard Free Float MLOK

Introduction

Thank you for choosing the HK 416 Handguard Free Float MLOK by Midwest Industries. This product is designed to enhance the performance and versatility of your HK 416 rifle. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the handguard is properly installed before use.
- Regularly inspect the handguard for signs of wear or damage.
- Store the firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm use and modifications.

Specific Safety Precautions for Use

- Ensure that the handguard is compatible with your specific HK 416 model before installation.
- Do not exceed the manufacturer's recommended weight limit for accessories attached to the handguard.
- Avoid using the firearm in adverse weather conditions that may compromise safety.
- Use only MLOK compatible accessories to avoid damage to the handguard or the firearm.
- If you notice any unusual noises or performance issues during use, stop immediately and inspect the handguard and firearm for potential issues.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (e.g., wrench for barrel nut).

2. Installation:

- Remove the factory handguard by unscrewing the barrel nut.
- Align the Midwest Industries HK 416 FreeFloat MLOK Handguard with the barrel nut.
- Secure the handguard by tightening the crossbolt, ensuring it is snug but not overtorqued.
- Attach any MLOK accessories as needed, following the manufacturer's instructions for those accessories.

3. Usage:

- Familiarize yourself with the handguard and its features before active use.
- Regularly check the tightness of the handguard and any attached accessories during use.

Disposal Instructions

- Dispose of the handguard and any components in accordance with local regulations.
- Do not dispose of the handguard in regular household waste.
- Consider recycling the aluminum material if possible.

Contact Information for Further Support

For any inquiries or concerns regarding the HK 416 Handguard Free Float MLOK, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your HK 416 Handguard Free Float MLOK. Thank you for your attention to these important safety instructions.
