Supports Modern Tactical Gun Handling Techniques

The BCMGunfighter M-LOK® KAG improves your support-hand grip by serving as an index point and handstop. Bravo Company's Kinesthetic Angled Grip - "KAG" is less of a mouthful - relieves tension on the shooter's wrist, elbow, and shoulder to help ensure a positive hold. The KAG also gives you extra leverage for fast weapon manipulation and speedy transition from one target to another, too. The BCMGunfighter M-LOK® KAG also works as a highly effective a rifle rest for supported firing positions. Promotes a secure, repeatable hand position to develop muscle memory for consistent shooting Adds minimal bulk to weapon Quickly attaches to any M-LOK® compatible handguard Picatinny and KeyMod versions also available, sold separately Made of tough reinforced, molded hard polymer Available in Black or Flat Dark Earth Bravo Company's BCMGunfighter M-LOK® KAG has pronounced texturing on both the front and back to give you a non-slip grip. Its forward rake gives you excellent retention when using the "C-clamp" (thumb over bore) grasp on the handguard.

Safety Instruction Guide for MLOK BCMGUNFIGHTER KAG ANGLED GRIP

Introduction

Thank you for choosing the MLOK BCMGUNFIGHTER KAG Angled Grip by Bravo Company. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully to understand how to use the grip safely and responsibly.

General Safety Guidelines

- Ensure that the MLOK BCMGUNFIGHTER KAG is compatible with your firearm before installation.
- Always follow local laws and regulations regarding the use and modification of firearms.
- Keep the grip and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the grip for damage or wear. Do not use the grip if it shows signs of damage.
- Store your firearm and accessories in a secure location when not in use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the grip only for its intended purpose as a support hand grip.
- Ensure that your hands are dry and clean before handling the grip to maintain a secure hold.
- Avoid using excessive force when attaching or adjusting the grip to prevent damage.
- Be aware of your surroundings and ensure a safe environment when handling and operating your firearm.
- Always treat your firearm as if it is loaded, even if you believe it is not.

Instructions for Installation and Usage

Installation

1. **Compatibility Check:** Make sure your firearm's handguard is MLOK compatible.
2. **Positioning:** Decide on the optimal position for the grip on your handguard based on your shooting style.
3. **Attachment:**
 - Align the grip with the MLOK slots on the handguard.
 - Insert the provided screws into the slots and tighten securely using the appropriate tool.
 - Ensure the grip is firmly attached and does not move.

Usage

1. **Grip Technique:**
 - Hold the grip with your support hand, ensuring your fingers wrap securely around it.
 - Utilize the grip to relieve tension from your wrist, elbow, and shoulder during shooting.
 - Practice the "Cclamp" grip for better control and stability.
2. **Transitioning:** Use the grip to assist in quick transitions between targets.
3. **Rifle Rest:** When in supported firing positions, rest your rifle on the grip for added stability.

Disposal Instructions

- Dispose of the grip in accordance with local regulations for plastic products.
- If the grip is damaged or no longer usable, do not discard it in regular waste. Instead, check for recycling options in your area.
- Ensure that any firearm components are disposed of safely and securely.
