Supports Modern Tactical Gun Handling Techniques

The BCMGunfighter M-LOK® KAG improves your support-hand grip by serving as an index point and handstop. Bravo Company's Kinesthetic Angled Grip - "KAG" is less of a mouthful - relieves tension on the shooter's wrist, elbow, and shoulder to help ensure a positive hold. The KAG also gives you extra leverage for fast weapon manipulation and speedy transition from one target to another, too. The BCMGunfighter M-LOK® KAG also works as a highly effective a rifle rest for supported firing positions. Promotes a secure, repeatable hand position to develop muscle memory for consistent shooting Adds minimal bulk to weapon Quickly attaches to any M-LOK® compatible handguard Picatinny and KeyMod versions also available, sold separately Made of tough reinforced, molded hard polymer Available in Black or Flat Dark Earth Bravo Company's BCMGunfighter M-LOK® KAG has pronounced texturing on both the front and back to give you a non-slip grip. Its forward rake gives you excellent retention when using the "C-clamp" (thumb over bore) grasp on the handguard.

General Safety Guidelines

- Ensure that the MLOK BCMGUNFIGHTER KAG Angled Grip is installed correctly to avoid accidents during use.
- Regularly inspect the grip for any signs of wear or damage. Replace if necessary.
- Keep the product out of reach of children and vulnerable individuals to prevent misuse.
- Be aware of your surroundings and ensure a safe environment when handling firearms equipped with this grip.
- Follow all local laws and regulations regarding firearm accessories and usage.

Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded, even when it is not.
- Ensure that the grip is securely attached to the firearm before use.
- Use the grip only for its intended purpose as outlined in this guide.
- Avoid using the grip in extreme weather conditions that may affect its performance.
- Do not modify the grip in any way, as this may compromise safety and effectiveness.
- If you experience any discomfort or pain while using the grip, stop using it immediately and consult a professional.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Before installation, ensure that your firearm is unloaded and pointed in a safe direction.
2. **Locate MLOK Slots:** Identify the MLOK slots on your handguard where you intend to attach the grip.
3. **Align the Grip:** Position the BCMGUNFIGHTER KAG Angled Grip so that the mounting hardware aligns with the MLOK slots.
4. **Attach the Grip:**
 - Insert the mounting hardware into the slot.
 - Tighten the hardware securely using the appropriate tool, ensuring the grip does not move.
5. **Check Stability:** After installation, check that the grip is firmly attached and does not wobble.

Usage

- **Grip Technique:** Utilize the grip to enhance your supporthand grip and reduce tension on your wrist, elbow, and shoulder.
- **Weapon Manipulation:** Use the grip to gain extra leverage for fast weapon manipulation and transitions between targets.
- **Supported Firing Positions:** The grip can also be used as a rifle rest for supported firing positions.
- **Maintain Control:** Ensure a secure and repeatable hand position to develop muscle memory for consistent shooting.

Disposal Instructions

- Dispose of the MLOK BCMGUNFIGHTER KAG Angled Grip in accordance with local regulations regarding plastic and polymer materials.
- If the grip is damaged beyond use, consider recycling options if available to minimize environmental impact.
