Free-Float Aluminum Handguard Ready for M-LOK? Accessories

Bravo Company's BCM MCMR M-LOK® Compatible Modular Rail handguard gives you a full-length topside Picatinny and seven rows of M-LOK® slots to ensure you have vast expanse of room for mounting accessories. Engineered to minimize bulk, the MCMR is essentially Bravo Company's popular KMR handguard adapted for the M-LOK® accessory mounting system originally developed by Magpul. The MCMR M-LOK® Compatible Modular Rail handguard gives you a streamlined, clean-looking rifle that is also easy to grasp and maneuver. The MCMR free-floats your barrel, so the weight of the handguard and attached accessories won't compromise the gun's accuracy. Engineered for exceptional cross-sectional strength Available in a variety of lengths to fit your rifle & suit your needs Top Picatinny rail is T-marked INCLUDES Proprietary steel barrel nut (same one used on BCM KMR, MCMR and QRF handguards) & installation instructions The BCM MMR M-LOK ® Compatible Modular Rail handguard is fully dehorned so there are no sharp edges to bite into your hand or snag on your gear. It's machined from 6061 T6 aluminum for the optimum balance of strength vs. weight, then given a hardcoat anodized finish for extra surface strength and corrosion resistance (yes, aluminum will corrode - look at an older car with factory alloy wheels!).

Safety Instruction Guide for AR15 BCMGUNFIGHTER MCMR HANDGUARD

Introduction

Thank you for choosing the AR15 BCMGUNFIGHTER MCMR HANDGUARD. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that this handguard is compatible with your AR15 model before installation.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the handguard for any signs of damage or wear.
- In case of any malfunction or abnormal operation, discontinue use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using your firearm.
- Ensure the firearm is unloaded before installing or removing the handguard.
- Avoid placing your hands or any body parts in front of the muzzle when handling the firearm.
- Do not exceed the weight limit of accessories mounted on the handguard to maintain safety and functionality.
- Be aware of the surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: a torque wrench, appropriate screwdrivers, and any additional tools recommended in the installation instructions.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Remove the existing handguard from your AR15 following the manufacturer's instructions.
- Align the BCM MCMR handguard with the barrel nut.
- Secure the handguard using the proprietary steel barrel nut provided.
- Tighten the barrel nut to the specified torque settings as outlined in the installation instructions.
- Ensure all screws and components are securely fastened.

3. Usage:

- Attach accessories using the MLOK slots as needed.
- Regularly check the tightness of all accessories to ensure they remain secure during use.
- Clean the handguard periodically to maintain its appearance and functionality.

Disposal Instructions

- When disposing of the handguard, follow local regulations for the disposal of aluminum products.
- Ensure that all components are disposed of safely to prevent environmental harm.
