Free-Float Aluminum Handguard Ready for M-LOK? Accessories

Bravo Company's BCM MCMR M-LOK® Compatible Modular Rail handguard gives you a full-length topside Picatinny and seven rows of M-LOK® slots to ensure you have vast expanse of room for mounting accessories. Engineered to minimize bulk, the MCMR is essentially Bravo Company's popular KMR handguard adapted for the M-LOK® accessory mounting system originally developed by Magpul. The MCMR M-LOK® Compatible Modular Rail handguard gives you a streamlined, clean-looking rifle that is also easy to grasp and maneuver. The MCMR free-floats your barrel, so the weight of the handguard and attached accessories won't compromise the gun's accuracy. Engineered for exceptional cross-sectional strength Available in a variety of lengths to fit your rifle & suit your needs Top Picatinny rail is T-marked INCLUDES Proprietary steel barrel nut (same one used on BCM KMR, MCMR and QRF handguards) & installation instructions The BCM MMR M-LOK ® Compatible Modular Rail handguard is fully dehorned so there are no sharp edges to bite into your hand or snag on your gear. It's machined from 6061 T6 aluminum for the optimum balance of strength vs. weight, then given a hardcoat anodized finish for extra surface strength and corrosion resistance (yes, aluminum will corrode - look at an older car with factory alloy wheels!).

Attributes

- Name: [BRAVO COMPANY MCMR HANDGUARD 10" M-LOK FREE FLOAT BLACK](#)
- Manufacturer: [BRAVO COMPANY](#)

Safety Instruction Guide for the AR15 BCMGUNFIGHTER MCMR Handguard

Introduction

Thank you for choosing the AR15 BCMGUNFIGHTER MCMR Handguard. This guide provides essential safety information and instructions for the proper use and installation of the handguard. Please read this guide carefully to ensure safe and effective use of your product.

General Safety Guidelines

- Ensure that the handguard is compatible with your AR15 model before installation.
- Always wear appropriate safety gear, such as eye protection, when handling firearms and their accessories.
- Keep the handguard and all firearm accessories out of reach of children and unauthorized users.
- Inspect the handguard for any signs of damage or wear before each use.
- Follow all local laws and regulations regarding the use and modification of firearms.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended weight limit for accessories mounted on the handguard.
- Ensure that all accessories are securely mounted to prevent them from becoming loose during use.
- Avoid placing your hands or any body parts in front of the muzzle when handling the firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly check for any signs of wear or damage to the handguard and its components.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare the Firearm:** Ensure that the firearm is unloaded and pointed in a safe direction before beginning installation.
2. **Remove the Existing Handguard:** Follow the manufacturer's instructions to safely remove the existing handguard from your AR15.
3. **Install the Proprietary Steel Barrel Nut:**
 - Place the proprietary steel barrel nut onto the barrel according to the installation instructions provided.
 - Ensure it is tightly secured.
4. **Attach the MCMR Handguard:**
 - Slide the BCM MCMR handguard onto the barrel nut.
 - Align the handguard with the upper receiver and secure it in place using the provided mounting hardware.
5. **Check for Stability:** Once installed, ensure that the handguard is stable and securely attached to the firearm.

Usage Instructions

- The BCM MCMR handguard is designed for freefloating barrels. Ensure that no part of the handguard contacts the barrel.
- Utilize the fulllength topside Picatinny rail and MLOK slots for mounting accessories as needed.
- Regularly check all mounted accessories to ensure they remain secure and do not interfere with the operation of the firearm.

Disposal Instructions

- Dispose of the handguard and any associated materials in accordance with local regulations.
- If the handguard is damaged or no longer in use, consider recycling aluminum components where possible.

Contact Information for Further Support

For further assistance or inquiries regarding safety and product support, please contact the manufacturer directly. Ensure that you have your product information available for reference.

Thank you for following these safety instructions. Your safety is our priority, and we hope you enjoy using your AR15 BCMGUNFIGHTER MCMR Handguard responsibly.
