## Free-Float Aluminum Handguard Ready for M-LOK? Accessories

Bravo Company's BCM MCMR M-LOK® Compatible Modular Rail handguard gives you a full-length topside Picatinny and seven rows of M-LOK® slots to ensure you have vast expanse of room for mounting accessories. Engineered to minimize bulk, the MCMR is essentially Bravo Company's popular KMR handguard adapted for the M-LOK® accessory mounting system originally developed by Magpul. The MCMR M-LOK® Compatible Modular Rail handguard gives you a streamlined, clean-looking rifle that is also easy to grasp and maneuver. The MCMR free-floats your barrel, so the weight of the handguard and attached accessories won't compromise the gun's accuracy. Engineered for exceptional cross-sectional strength Available in a variety of lengths to fit your rifle & suit your needs Top Picatinny rail is T-marked INCLUDES Proprietary steel barrel nut (same one used on BCM KMR, MCMR and QRF handguards) & installation instructions The BCM MMR M-LOK® Compatible Modular Rail handguard is fully dehorned so there are no sharp edges to bite into your hand or snag on your gear. It's machined from 6061 T6 aluminum for the optimum balance of strength vs. weight, then given a hardcoat anodized finish for extra surface strength and corrosion resistance (yes, aluminum will corrode - look at an older car with factory alloy wheels!).

## Attributes

- Name: [BRAVO COMPANY MCMR HANDGUARD 13" M-LOK FREE FLOAT BLACK](#)
- Manufacturer: [BRAVO COMPANY](#)

# **Safety Instruction Guide for AR15 BCMGUNFIGHTER MCMR HANDGUARD MLOK FREE FLOAT**

## **Introduction**

Thank you for purchasing the AR15 BCMGUNFIGHTER MCMR HANDGUARD MLOK FREE FLOAT from Bravo Company. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your handguard. Please read this manual carefully and follow all instructions to promote safe handling and operation.

## **General Safety Guidelines**

- Ensure that the handguard is compatible with your specific AR15 model before installation.
- Always handle firearms with care and follow the basic rules of firearm safety.
- Keep the handguard and all accessories out of reach of children and unauthorized users.
- Regularly inspect the handguard for any signs of wear or damage prior to use.
- Do not use the handguard if you notice any defects or irregularities.
- Ensure that you are wearing appropriate personal protective equipment (PPE) during installation and use.

## **Specific Safety Precautions for Use**

- The MCMR handguard is designed to be lightweight and durable; however, avoid applying excessive force that could damage the handguard or the firearm.
- Be aware of the potential for hot surfaces during and after firing. Allow the handguard to cool before handling.
- Ensure that all accessories mounted on the handguard are securely fastened to prevent them from coming loose during use.
- Avoid using the handguard in wet or slippery conditions, as this may affect your grip and control of the firearm.
- Always ensure that the firearm is unloaded before installing or removing the handguard.

## **Instructions for Installation and Usage**

### **1. Unloading the Firearm**

- Ensure the firearm is completely unloaded and the chamber is clear before beginning installation.

### **2. Removing the Old Handguard**

- Follow the manufacturer's instructions for removing the existing handguard. This typically involves loosening any screws or pins securing it in place.

### **3. Installing the BCMGUNFIGHTER MCMR Handguard**

- Align the BCMGUNFIGHTER MCMR handguard with the barrel nut and ensure it fits securely.
- Tighten the proprietary steel barrel nut using the appropriate tools as per the installation instructions provided with the handguard.
- Ensure that the handguard is fully seated and that there are no gaps between the handguard and the upper receiver.

### **4. Mounting Accessories**

- Use the provided MLOK slots to attach your accessories. Ensure they are securely fastened and do not obstruct the operation of the firearm.
- Check that all mounted accessories are stable and will not move during use.

## 5. Final Inspection

- After installation, perform a thorough inspection to ensure all components are properly secured.
- Conduct a function check of the firearm to ensure safe operation.

## Disposal Instructions

- When disposing of the handguard, ensure that it is done in accordance with local regulations regarding the disposal of firearm accessories and materials.
- Consider recycling the aluminum material if possible, as it is environmentally friendly.

## Contact Information for Further Support

For any inquiries related to safety, installation, or product support, please refer to the official website of Bravo Company or consult your local authorized dealer. Ensure you have your product details handy for efficient assistance.

Please remember that safety is paramount when handling firearms and their accessories. Always adhere to local laws and regulations, and prioritize safe practices to ensure a secure and enjoyable experience with your AR15 BCMGUNFIGHTER MCMR HANDGUARD MLOK FREE FLOAT.
