Free-Float Aluminum Handguard Ready for M-LOK? Accessories

Bravo Company's BCM MCMR M-LOK® Compatible Modular Rail handguard gives you a full-length topside Picatinny and seven rows of M-LOK® slots to ensure you have vast expanse of room for mounting accessories. Engineered to minimize bulk, the MCMR is essentially Bravo Company's popular KMR handguard adapted for the M-LOK® accessory mounting system originally developed by Magpul. The MCMR M-LOK® Compatible Modular Rail handguard gives you a streamlined, clean-looking rifle that is also easy to grasp and maneuver. The MCMR free-floats your barrel, so the weight of the handguard and attached accessories won't compromise the gun's accuracy. Engineered for exceptional cross-sectional strength Available in a variety of lengths to fit your rifle & suit your needs Top Picatinny rail is T-marked INCLUDES Proprietary steel barrel nut (same one used on BCM KMR, MCMR and QRF handguards) & installation instructions The BCM MMR M-LOK ® Compatible Modular Rail handguard is fully dehorned so there are no sharp edges to bite into your hand or snag on your gear. It's machined from 6061 T6 aluminum for the optimum balance of strength vs. weight, then given a hardcoat anodized finish for extra surface strength and corrosion resistance (yes, aluminum will corrode - look at an older car with factory alloy wheels!).

Safety Instructions Guide for AR15 BCMGUNFIGHTER MCMR HANDGUARD MLOK FREE FLOAT

Introduction

Thank you for choosing the AR15 BCMGUNFIGHTER MCMR HANDGUARD MLOK FREE FLOAT by Bravo Company. This guide provides essential safety instructions to ensure the safe and effective use of your handguard. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and the potential for ricochets.
- Only use the handguard with compatible AR15 models.
- Regularly inspect the handguard and firearm for any signs of wear or damage.
- Store your firearm and accessories securely and out of reach of children.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended weight limit for mounted accessories.
- Avoid using the handguard in extreme weather conditions without proper precautions.
- Ensure that all accessories are securely attached before handling the firearm.
- Use caution when handling sharp tools during installation.
- Always follow the manufacturer's installation instructions to prevent accidents.
- Avoid modifying the handguard or firearm in ways not specified by the manufacturer.

Instructions for Installation and Usage

1. Installation Instructions:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing handguard, if applicable, according to the manufacturer's instructions.
- Install the proprietary steel barrel nut included with the handguard.
- Align the BCM MCMR handguard over the barrel nut and secure it in place.
- Tighten the handguard according to the specified torque settings in the installation instructions.
- Attach any accessories to the MLOK slots as needed, ensuring they are securely fastened.

2. Usage Instructions:

- When using the handguard, maintain a firm grip while aiming and firing.
- Regularly check the stability of mounted accessories during use.
- Clean the handguard and firearm regularly to maintain performance and safety.
- If you notice any unusual wear or damage, cease use immediately and consult a professional.

Disposal Instructions

- Dispose of the handguard and any associated materials in accordance with local regulations.
- Recycle aluminum components where possible.
- Do not dispose of the product in regular household waste.
