Feature-Laden Adjustable Stock With a Comfy Cheekweld

The Bravo Company BCMGunfighter Mod 0 SOPMOD Stock offers a wider, more substantial cheekweld than the original BCMGunfighter stock. The Mod 0 SOPMOD's larger contact surface helps you establish more consistent and comfortable head placement for better control that's leads to more accurate shooting. The BCMGunfighter Mod 0 SOPMOD stock offers the same snag-free surfaces as the original BCM stock, with all the edges rounded so there's nothing to catch on vegetation or tangle up your sling or other gear. A large adjustment latch on the underside of the Mod 0 SOPMOD stock gives you a solid purchase for quick, positive release to extend or retract the stock. Fits mil-spec (1.14" O.D.) M4-type buffer tubes Internal lock maintains firm tension on buffer tube to keep stock from rattling Two built-in ambidextrous sling mounting options, including standard QD swivel sockets Available in Black or Flat Dark Earth with matching synthetic rubber recoil pad The BCMGunfighter Mod 0 SOPMOD Stock comes with Bravo Company's VBOST (Vehicle Borne Operations Sling Tab). When used with a rigger's band or bungee, the VBOST secures the sling against the stock when not in use - extremely helpful when operating from inside a vehicle. This innovative modular stock is ready to become a "necessary accessory" on your 21st Century tactical or competition rifle.

Safety Instruction Guide for the AR15 BCMGUNFIGHTER MOD 0 SOPMOD STOCK ASSY

Introduction

Thank you for choosing the AR15 BCMGUNFIGHTER MOD 0 SOPMOD Stock Assembly. This product is designed to enhance your shooting experience with improved comfort and control. However, it is essential to understand the safety guidelines associated with its use to ensure your safety and the safety of others.

General Safety Guidelines

- Always treat firearms and firearm accessories with respect and caution.
- Ensure that the firearm is unloaded before attaching or detaching the stock.
- Store the stock and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the stock for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Report any unsafe product experiences to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the stock is securely attached to the buffer tube before use to prevent accidental detachment.
- Do not exceed the manufacturer's recommended weight limit for accessories mounted on the stock.
- Avoid using the stock in wet or slippery conditions to prevent loss of control.
- Use the ambidextrous sling mounting options correctly to avoid tangling or snagging.
- Always wear appropriate eye and ear protection while shooting.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is completely unloaded.
- Align the BCMGunfighter Mod 0 SOPMOD stock with the milspec buffer tube (1.14" O.D.).
- Slide the stock onto the buffer tube until it clicks into place, ensuring a secure fit.
- Test the adjustment latch to confirm it holds the stock firmly in place.

2. Usage

- Adjust the stock length using the large adjustment latch located on the underside.
- Ensure proper cheekweld by positioning your head comfortably against the stock.
- Utilize the builtin ambidextrous sling mounting options for secure sling attachment.
- When not in use, secure the sling with the VBOST to prevent it from tangling.

Disposal Instructions

- Dispose of the stock according to local regulations regarding plastic and polymer materials.
- Contact your local waste management facility for guidance on proper disposal methods.
- Do not incinerate the stock, as it may release harmful fumes.
