## Feature-Laden Adjustable Stock With a Comfy Cheekweld

The Bravo Company BCMGunfighter Mod 0 SOPMOD Stock offers a wider, more substantial cheekweld than the original BCMGunfighter stock. The Mod 0 SOPMOD's larger contact surface helps you establish more consistent and comfortable head placement for better control that's leads to more accurate shooting. The BCMGunfighter Mod 0 SOPMOD stock offers the same snag-free surfaces as the original BCM stock, with all the edges rounded so there's nothing to catch on vegetation or tangle up your sling or other gear. A large adjustment latch on the underside of the Mod 0 SOPMOD stock gives you a solid purchase for quick, positive release to extend or retract the stock. Fits mil-spec (1.14" O.D.) M4-type buffer tubes Internal lock maintains firm tension on buffer tube to keep stock from rattling Two built-in ambidextrous sling mounting options, including standard QD swivel sockets Available in Black or Flat Dark Earth with matching synthetic rubber recoil pad The BCMGunfighter Mod 0 SOPMOD Stock comes with Bravo Company's VBOST (Vehicle Borne Operations Sling Tab). When used with a rigger's band or bungee, the VBOST secures the sling against the stock when not in use - extremely helpful when operating from inside a vehicle. This innovative modular stock is ready to become a "necessary accessory" on your 21st Century tactical or competition rifle.

# Consumer Safety Instruction Guide for AR15 BCMGUNFIGHTER MOD 0 SOPMOD STOCK ASSY COLLAPSIBLE MILSPEC

## Introduction

Thank you for choosing the AR15 BCMGunfighter Mod 0 SOPMOD Stock Assy Collapsible MilSpec. This guide provides essential safety instructions and general guidelines to ensure safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that you understand the product's features and functions before use.
- Always follow local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Inspect the stock regularly for signs of wear or damage.
- Do not modify or alter the stock in any way, as this may compromise safety.
- Use only compatible equipment and accessories with this stock.

## Specific Safety Precautions for Use

- Ensure that the stock is securely attached to the buffer tube before use.
- Always check that the adjustment latch is fully engaged when the stock is extended or retracted.
- Avoid placing the stock in environments where it may be exposed to extreme temperatures or moisture.
- When operating from a vehicle, ensure that the sling is secured to prevent entanglement.
- Be cautious of surrounding obstacles when using the rifle equipped with this stock.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have a milspec (1.14" O.D.) M4type buffer tube.
- Align the stock with the buffer tube and slide it onto the tube until it is fully seated.
- Engage the internal lock to maintain tension on the buffer tube.
- Test the adjustment latch by pulling it to ensure it releases and locks securely.

### 2. Usage:

- Adjust the stock length by pressing the adjustment latch and sliding the stock to the desired position.
- Ensure that the stock is locked in place before firing.
- Utilize the ambidextrous sling mounting options as needed for your setup.
- Regularly check the stock for any signs of looseness or wear.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic and polymer materials.
- Do not incinerate or dispose of the stock in landfills if it contains any hazardous materials.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and usage of the AR15 BCMGunfighter Mod 0 SOPMOD Stock, please refer to your retailer or the manufacturer's support resources.

By adhering to these guidelines, you can ensure the safe and effective use of your AR15 BCMGunfighter Mod 0 SOPMOD Stock Assy Collapsible MilSpec. Always prioritize safety and responsible handling of your firearm accessories.
