## Completely Adjustable Rifle Chassis

Magpul's Pro 700 Rifle Chassis combines innovative engineering and precision machining to create a full featured precision rifle chassis for Remington 700 actions. Based on a full billet 6061-T6 aluminum skeleton, the Magpul Pro 700 Rifle Chassis is clad in Magpul polymer for comfort, noise mitigation, and ergonomics. With the swap of a bolt-cutout plate, a reversible cheek riser, and reversible hinge, the chassis is fully ambidextrous, ensuring that left handed shooters are included in the fun! The Pro 700 Rifle Chassis features an injection molded polymer grip with 5-degree forward edge sweep and enlarged palm swell with 7-degree aft edge sweep for enhanced user comfort combined with a .75" fore/aft adjustment range using a common hex wrench. Users can adjust the comb height to 1" with a secondary locking knob, eliminating movement to the cheek riser. An Integrated AICS pattern magazine made of reinforced polymer is included and optimized for PMAG® 5 & PMAG® 10 7.62 AC™ magazines as well as most other AICS pattern short action magazines. Reversible, durable push-button hinge to fold the stock Overall LOP adjustment range: 13.25"-15.125" Butt pad height adjustment: .90"-1.33", adjustable 5 degrees left or right Cheek riser: 3-position fore/aft adjustment of +.375", 0" and -.375"; left- or right-handed adjustable Durable cast steel rotation limited QD sling swivel mounts with Melonite® finish fits up to 1.5" push button swivels M-LOK slots available for accessory mounting The magazine release is melonite treated steel that is low-profile and ambidextrous A large trigger guard found on the Pro 700 accepts most factory and aftermarket curved or flat triggers, and can be used with gloves. A melonite treated steel magazine release is low-profile and ambidextrous. The Magpul Remington 700 Pro Chassis fits up to an MTU barrel contour and is available in black, flat dark earth, and od green. The Remington 700 Pro Chassis would be a great upgrade to an existing gun, or for your next build!

# Safety Instruction Guide for the REMINGTON PRO 700 SA CHASSIS ADJUSTABLE MAGPUL PRO 700 FOLDING STOCK

## Introduction

Thank you for choosing the REMINGTON PRO 700 SA CHASSIS ADJUSTABLE MAGPUL PRO 700 FOLDING STOCK. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use and maintain the product properly.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the product and firearm in a secure location, out of reach of children and unauthorized users.
- Wear appropriate eye and ear protection when using the firearm.
- Regularly inspect the chassis and stock for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and storage.

## Specific Safety Precautions for Use

- Ensure that the stock is securely attached to the chassis before use.
- Avoid using the product with any modifications that are not approved by the manufacturer.
- Do not exceed the manufacturer's recommendations for weight limits or usage guidelines.
- Be aware of your surroundings and ensure that there is a safe backstop when firing.
- If you experience any malfunction or issue with the product, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Firearm:** Ensure the firearm is unloaded and safe to handle.
2. **Attach the Chassis:**
  - Align the chassis with the Remington 700 action.
  - Securely fasten all screws and bolts using the appropriate tools. Ensure that the chassis is firmly attached.
3. **Adjust the Stock:**
  - Use the adjustable features to set the length of pull (LOP) to your preference (13.25"-15.125").
  - Adjust the butt pad height to your comfort level (.90"-1.33").
  - Set the cheek riser to your desired position (+.375", 0", or .375").
4. **Check for Stability:** After installation, ensure that all components are secure and stable before use.

### Usage

- Ensure that the magazine is properly inserted and secured.
- Familiarize yourself with the operation of the pushbutton hinge before use.
- Adjust the grip and cheek riser to ensure a comfortable shooting position.
- Always follow safe shooting practices and be aware of your target and what is beyond it.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding firearms and firearm accessories.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consult your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the REMINGTON PRO 700 SA CHASSIS ADJUSTABLE MAGPUL PRO 700 FOLDING STOCK, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your REMINGTON PRO 700 SA CHASSIS ADJUSTABLE MAGPUL PRO 700 FOLDING STOCK. Thank you for prioritizing safety and responsible firearm use.
