

SUPPRESSOR COVERS 5.5" MEDIUM COYOTE TAN

[Home](#)

Heat Resistant Suppressor Cover

Being the first product of its kind, the Magpul Suppressor Cover 5.5" is able to stand up to the extreme temperatures caused by extended strings of fire while still protecting the user against burns by keeping internal can temperatures at safe levels and cool-off times short. The Magpul Suppressor Cover is a heat resistant polymer sleeve overlaid onto a raised stainless steel heat shield that directly mounts to the suppressor body with steel clamps. It minimizes heat transfer to keep external cover temperatures up to 1000 degrees F cooler than the surface of the suppressor by allowing high volumes of cooling airflow across the can. The Magpul Suppressor Cover 5.5" is also an enhanced thermal insulator and signature reduction device that mitigates negative visible mirage effects and also reduces external suppressor body impact damage. The Suppressor cover is developed for 1.5" outer diameter round suppressors with body length approximately 5.5", not including the attachment hardware. Extreme temperature protection for body and gear Reduces thermal signature of host firearm High temperature polymer sleeve withstands extremely high suppressor temperatures during extended periods of firing without deterioration Available in black or medium coyote tan The Magpul Suppressor Cover 5.5" is a perfect addition to your range bag for easier handling of your suppressed firearm!

Attributes

- Name: [SUPPRESSOR COVERS 5.5" MEDIUM COYOTE TAN](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100026954
- Mfr. No.: MAG781-MCT
- Color: Medium Coyote Tan
- Material: Polymer
- Delivery weight: 0.299kg
- Shipping height: 64mm
- Shipping width: 70mm
- Shipping length: 171mm
- UPC: 840815119463

Safety Instruction Guide for Magpul Suppressor Cover 5.5" Medium Coyote Tan

Introduction

Thank you for choosing the Magpul Suppressor Cover 5.5" in Medium Coyote Tan. This product is designed to enhance your shooting experience by providing heat resistance and protecting both you and your equipment. Please read this safety instruction guide carefully to ensure safe and effective use of the suppressor cover.

General Safety Guidelines

- Ensure safe use of the suppressor cover and associated equipment.
- Follow all local laws and regulations regarding the use of suppressors.
- Always wear appropriate protective gear, including gloves and eye protection, when handling hot equipment.
- Keep the suppressor cover out of reach of children and vulnerable individuals.
- Regularly inspect the suppressor cover for any signs of wear or damage.

Specific Safety Precautions for Use

- The suppressor cover is designed for 1.5" outer diameter round suppressors with a body length of approximately 5.5".
- Only use the suppressor cover with compatible suppressors to avoid hazards.
- Avoid direct contact with the suppressor cover when it is in use, as it may reach high temperatures.
- Do not use the suppressor cover if it shows signs of damage, such as tears or burns.
- Be aware that the suppressor cover does not eliminate the risk of burns; handle with care.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the suppressor is cool to the touch before installation.
2. **Positioning:** Align the suppressor cover with the suppressor body, ensuring it fits snugly.
3. **Securing:** Use the provided steel clamps to securely attach the suppressor cover to the suppressor body.
4. **Final Check:** Ensure that the cover is tightly fitted and that there are no gaps.

Usage

- After installation, allow for proper cooling airflow around the suppressor cover during use.
- Monitor the temperature of the suppressor cover during extended firing sessions.
- If the suppressor cover becomes excessively hot, cease use and allow it to cool down before handling.

Disposal Instructions

- Dispose of the suppressor cover according to local regulations.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent any hazards.

Contact Information for Further Support

For any safety inquiries or support regarding the Magpul Suppressor Cover 5.5", please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure a safe and enjoyable experience with your Magpul Suppressor

Cover 5.5" Medium Coyote Tan. Always prioritize safety and remain informed about any updates or recalls related to your product.
