

# MS4 QDM Sling - MAGPUL MS4 QDM ONE/TWO-POINT RIFLE SLING COYOTE

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

## One- and Two-Point Operation Sling

The Magpul MS4 QDM Sling is quickly reconfigurable between a one- and two-point operation, and enhanced by the factory-installed Magpul QDM quick-disconnect swivels! The Magpul QDM has a low-profile design and can be operated single-handily. The swivels are made with a corrosion resistant Melonite finish, and the included sling is 1-1/4" Proprietary weave wide nylon webbing that won't rollover. This sling provides system strength, speed, and security with the use of Magpul QDM hardware, but maintains compatibility with the standard QD sling cup interface. The Magpul MS4 QDM Sling is made in the U.S.A. and is fully Berry Amendment compliant Secure and rapid length adjustment with MS1® Slider Freely rotating bale keeps from tails, loops, or other potential snag hazards Colored webbing has Near Infrared (NIR) treatment to reduce IR signature Available in black or coyote Based on the streamlined two-point MS1® Sling adjustment system, the Magpul MS4 QDM Sling retains the low-profile quick-adjust slider which minimizes bulk while allowing for effortless adjustment. The webbing length is optimized for a secure, yet comfortable fit with all body types and body armor setups.

## Attributes

# MS4 QDM Sling Safety Instruction Guide

## Introduction

Thank you for choosing the Magpul MS4 QDM Sling. This guide provides essential safety instructions and guidelines for the proper use of the product. Please read this manual carefully to ensure safe and effective operation of your sling.

## General Safety Guidelines

- Ensure that the sling is used only for its intended purpose, which is to secure firearms.
- Regularly inspect the sling for any signs of wear, damage, or malfunction before each use.
- Do not exceed the recommended weight limit for the sling.
- Keep the sling out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding firearm safety and usage.

## Specific Safety Precautions for Use

- When adjusting the sling, ensure that it is securely fastened to prevent accidental release.
- Avoid using the sling in environments that may expose it to harsh chemicals or extreme temperatures.
- Do not modify or alter the sling in any way, as this could compromise its safety and effectiveness.
- Always use the sling in conjunction with appropriate safety gear and practices when handling firearms.
- Be aware of your surroundings and ensure that the area is safe before using the sling.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the attachment points on your firearm where the sling will be connected.
- Attach the Magpul QDM quickdisconnect swivels to the designated QD sling cup interface on your firearm.
- Ensure that the swivels click securely into place and are not loose.

### 2. Usage:

- To switch between onepoint and twopoint configurations, follow these steps:
  - For a onepoint sling: Attach the sling to a single point on the firearm.
  - For a twopoint sling: Attach the sling to two points on the firearm for added stability.
- Adjust the length of the sling using the MS1® Slider for a secure and comfortable fit.
- Ensure that the sling is positioned properly on your body for optimal weight distribution and comfort.
- Practice using the sling in a safe environment to become familiar with its operation.

## Disposal Instructions

- When the sling reaches the end of its useful life or is damaged beyond repair, dispose of it responsibly.
- Check local regulations for proper disposal methods of nylon materials.
- Avoid littering and ensure that the sling is disposed of in an environmentally friendly manner.

## Contact Information for Further Support

For any inquiries regarding safety or product information, please reach out to the appropriate EUbased contact point or authorized dealer.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Magpul MS4 QDM Sling. Always prioritize safety and responsibility when handling firearms and associated equipment. Thank you for your attention to these important safety measures.
