

# LRX® 375 CALIBER (.375") POLYMER TIP BOAT TAIL RIFLE BULLETS - BARNES BULLETS LRX 375 CALIBER (0.375") POLYMER TIP BT 270GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Long-range hunting just got easier with the Long-Range X Bullet® (LRX) line. No lead, just 100% copper bullets designed after the Tipped Triple Shock™ X Bullet®. Features larger ogive and boat tail lengths to increase the B.C. values for improved long-range ballistic performance. The polymer tip starts the bullet expansion, opening the nose cavity instantly on contact, which doubles the bullet's original diameter. Four cutting petals guarantee extensive internal damage for a clean, quick kill.

# LRX® 375 Caliber (.375") Polymer Tip Boat Tail Rifle Bullets Safety Instruction Guide

## Introduction

Thank you for choosing the LRX® 375 Caliber (.375") Polymer Tip Boat Tail Rifle Bullets. This guide provides essential safety instructions and guidelines to ensure safe handling and use of this product. Please read this manual carefully to understand the potential hazards and safety measures associated with your purchase.

## General Safety Guidelines

- Always treat all ammunition as if it is live and capable of firing.
- Keep ammunition out of reach of children and unauthorized personnel.
- Store ammunition in a cool, dry place to prevent degradation.
- Inspect bullets before use for any signs of damage or defects.
- Follow all local laws and regulations regarding ammunition use and storage.
- Use only in firearms that are designed for the specified caliber.

## Specific Safety Precautions for Use

- Ensure the firearm is in good working condition before use.
- Always wear appropriate eye and ear protection when shooting.
- Avoid using ammunition that has been stored in extreme temperatures or humidity.
- Do not attempt to modify or alter the bullets in any way.
- Always follow the manufacturer's recommended load data for your specific firearm.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure your firearm is unloaded before handling ammunition.
  - Load the bullets into the appropriate magazine or chamber according to the firearm's manual.
  - Doublecheck that the bullets are seated properly and securely.
- **Usage:**
  - Always point the firearm in a safe direction.
  - Keep your finger off the trigger until you are ready to shoot.
  - Be sure of your target and what is beyond it before firing.
  - After firing, inspect the firearm for any malfunctions or issues before loading again.

## Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash or recycling bins.
- Contact local authorities or waste disposal services for proper disposal methods.

## Contact Information for Further Support

For questions or concerns regarding the LRX® 375 Caliber (.375") Polymer Tip Boat Tail Rifle Bullets, please refer to the manufacturer's website or contact your local retailer for assistance.

By following these safety instructions and guidelines, you can help ensure a safe and enjoyable experience with your LRX® 375 Caliber (.375") Polymer Tip Boat Tail Rifle Bullets. Always prioritize safety and responsible use while handling ammunition.
